Town Council Summer plans

The Town Council has adopted a summer schedule for regular meetings: the first meetings of July and August have been cancelled. Regular meetings will be held on July 22nd and August 26th.

But the reduced schedule doesn't mean town officials won't be busy working on town business!

During the summer, it's our intent to hold workshops with the School Committee. I believe that the Burrillville Town Council and School Committee have developed a unique, cooperative working relationship. We plan to use the workshops to maximize the benefits of that relationship. The focus will be to examine the advantages of combining services.

While the Municipal and School budgets remain separate, the School Committee and Town Council are committed to working together to identify areas where we could save money and improve efficiency—town wide.

Nancy F. Binns
Council President

Town Building Holiday Hours

The Town Hall and Annex will be closed **Monday, July 6** in observance of Independence Day.

As the holiday falls on a Saturday, **trash collection will be not be interrupted.**
