Talking Trash

The Town Council has established a Rubbish and Recycling Committee that will include two resident volunteers. The charge to the committee is to work with council members and town administration to develop strategies to increase recycling and deal with the rising cost of rubbish pick-up. The Rubbish and Recycling Committee will be looking at ways to cut down on tipping fees and better utilize the resources that are currently available. To volunteer, please contact the Town Clerk's office or apply on-line at www.burrillville.org.
