

**Town of Burrillville, Rhode Island  
Driveway Access Permit**

Owners Name: _____ Date: _____		
Address: _____		
Phone Numbers: _____		
Location/Road _____	Pole # _____	Lot # _____
Corner Property _____	If so, name other street: _____	
Purpose of Change _____ (Driveway access, etc.)		
Name of Contractor _____		
Signature of Applicant _____		

**NOTE:**

1. Plan of proposed driveway location and grade, drainage improvements and any other construction must be submitted with the application for reviews and approval.
2. If roadway access is required (utility connection, etc.), a separate Road Excavation Permit will be required.
3. All construction is to be done by applicant. In constructing a driveway, roadside drainage shall not be deflected or impeded. Permit is based upon information submitted; it shall not be construed as final. Conditions subject to revision in the event that the changes undertaken create unforeseen problems. A specified sized pipe may be required.
4. Ten (10) foot asphalt driveway apron must be installed when access is from a paved road.
