

## **Burrillville Snow Shoveling Registration Form**

If you're a senior citizen, have a disability, or dealing with an injury preventing you from shoveling, we have the help you may need. The Burrillville Police Department and students of Burrillville High School have teamed up to help you shovel during the winter. There is no fee for this service as all students are working for community service hours.

With this team effort, we can continue to strengthen the relationships that have made this a great community.

All interested Burrillville residents who meet the requirements may complete the required registration form. Please forward this form to Patrolman Robert Veader.

Thank you,

Patrolman Robert E. Veader  
Juvenile Officer
