

Mrs. Surprenant's 1st Grade & Mrs. Auclair's 3rd Grade Classes:

Pictures from their Field Trip to RIRRC

Mrs. Surprenant's class learned a lot at RIRRC!

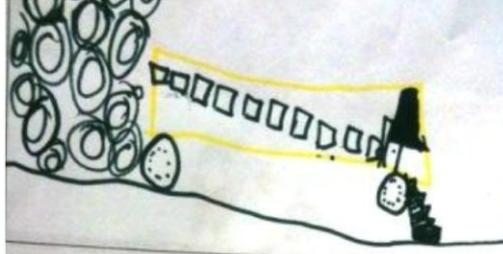

Check out the artwork and read all about their trip to RIRRC. Are you sure these guys are only in the first grade??

I did not know that you could not recycle plastic bags.

Kaylee Erickson.

Today I went to the recycling center my class drove up a mountain. I did not know that we couldn't recycle plastic bags.

CONNOR MAYER

I learned why we reuse, reduce and recycle.

Michael All

I love when we went up Main Trash mate.

BRANDEN DEMEO

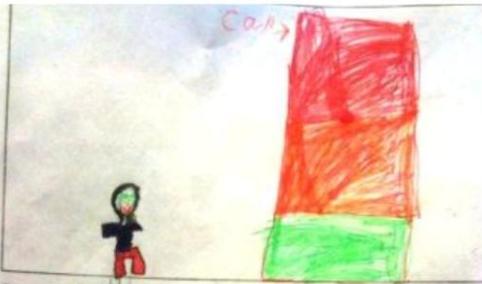

I liked all the centers. I really liked the golf ball one.

FROM ISAAC

I learned woolly sweat shirts could be made from trash.

Cam
Wee Kla

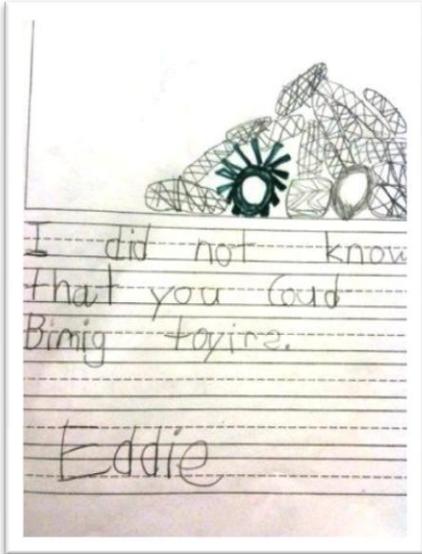

I did not know woolly sweat shirts could be made out of trash.

Annie McC lure

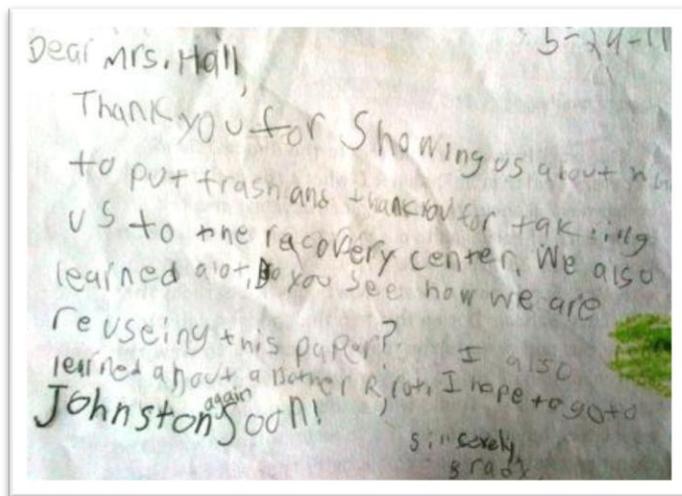

I have some All the ends to a big block Dyan se v 9

Mrs. Auclair's class learned a lot too!

The 3rd grade students wrote and illustrated what they learned at RIRRC (on recycled paper of course!) and did a wonderful job recapping all of the amazing facts they learned on the trip.

Dear Mrs. Hall,

Thank for letting us go to the Rhode Island Resource Recovery center. I liked it when you taught us about the land fill and about the 4 R's. We are recycling right now BY Reusing this paper.

Your friend,
ANDIE

Dear Mrs. Hall,

Thank you for having our class go to the RI ARC. I had lots of fun. I had fun when we played the card game and when we went inside and did the games. My favorite game was the cave. Also I liked when we saw the big cubes. Thank you for everything.

Sincerely,
alexus

Dear Mrs. Hall,
 Thank you for showing us the
 (RIRRC). Did you notice we the
 reused our paper. One of my favorite
 things was the cubes of cans and bottles
 Wow 250 feet of
 trash! that's alot of tr
 ash!

Sincerely,
 Harden
