How to Get Information/Contact Us

There are many different ways to get information, public notices and communicate with the Town.

**Town Website**

The Town has a website that is full of information for residents and visitors! [www.burrillville.org](http://www.burrillville.org). The website is a great tool to find information out about the Town, obtain contact information for all the different town departments, town budgets and finances, and very helpful EMERGENCY AND CODE RED INFORMATION.

**Public Notices and Newsletters**

You can subscribe through the Town website to receive newsletters and notices for a wide variety of information and keep up to date on the things currently going on throughout the Town! Under the Public Notices and Public Newsletter Links on the Town website you can view things like the Town Bulletin Board, Town Meeting Notices and Minutes, Bids and Requests for Proposals, Announcements and Press Releases. You can also view news from the Parks and Recreation Department, current rubbish and recycling information, as well as this edition (along with older editions) of the Burrillville Bugle!

**Local Business Directory**

There is a Business Directory to help residents and visitors navigate their way through the Town and locate the local businesses who have registered. If you’re a local business, please register at the Business Directory page.

**Visit Burrillville**

We have a separate website dedicated to promoting Burrillville’s quality of life, the natural beauty and local history of our Town. Visit this website at [www.visitburrillville.org](http://www.visitburrillville.org) or by clicking the appropriate link on the Town of Burrillville website entitled Visit Burrillville!

**Facebook**

Like us on Facebook! The Town of Burrillville and the Police Department have Facebook pages. It is another great way for us to communicate with the residents and visitors of Burrillville in this digital age. Both are updated regularly.
Greetings,

We have enjoyed another beautiful spring and summer season in Burrillville. Our students have again won musical, athletic, robotic, and academic awards. We even had a student, one of only five in the nation, elected to the National Council for SADD. Nicely done, Mackenzie Raimond! Our town facilities are in great shape, we’ve broken ground on a new DPW facility and a new animal control building, the Jesse M. Smith Library had a wonderful summer concert series, and improvements and additions have made Spring Lake Beach a fun family place to be again.

As I write this, the town is working hard to defend our beautiful corner of RI at the EFSB hearings. It will be very busy this late summer and fall with hearings proceeding and the town’s defense expanding. I would like to thank ALL the people who continuously fight the CREC. I am grateful to all for the commitment and motivation displayed. It’s a great feeling to know we have each other’s backs.

As always, I must thank all the people who support the Burrillville Prevention Action Coalition, BPAC. This group does critical work combating drug and alcohol abuse in our schools and town. Our members are from the police and fire departments, the school administration and staff, our sports coaches, our healthcare workers, our librarians, various clergy leaders, and many concerned townspeople. The new BPAC Coordinator and new Burrillville Addiction Assistance Recovery Coach have been doing magnificent work, and I would encourage everyone to attend one of these meetings. The issues demand that we all engage to help our students and neighbors. BPAC meetings are held on the first Wednesday of the month at 5 p.m. in the Wallace F. Lees Safety Complex.

Naturally, I would like to write about one of Austin T. Levy’s many gifts to the people of Burrillville, The Assembly Theatre, where our resident theater company, The Theater Company of Rhode Island, performs. The theater also plays host to many other live performances throughout the year. There are also movie showings on the big screen using new state-of-the-art video and sound systems. Please sign up for email alerts concerning dates and times at boa@burrillville.org or “like” The Assembly Theatre on Facebook.

In closing, I wish everyone a safe, healthy, happy winter and holiday season and look forward to seeing you around our beautiful town.

Go Broncos!
John F. Pacheco, III
Town Council President
A well-rounded education for our students is a most important mission, but that mission is jeopardized by current state law governing school (education) aid and charter schools. State law ties school aid to student enrollment.

By now we have received our tax bills. This was a very difficult year to set a budget and keep real estate taxes as low as possible. This year, Burrillville student enrollment decreased resulting in a revenue loss of approximately $750,000.

Charter schools have been set up in a way that has a double-dipping financial impact. It negatively impacts revenue (aid) and simultaneously increases mandated expenditures to charter schools.

Compounding this problem is a siphoning of Burrillville students to other Rhode Island public schools.

It is truly a Catch-22 scenario. Because education aid follows the student, it becomes difficult to maintain existing programs and to develop and offer new and competitive programs.

The options are limited. Raise more money through local property taxes to compensate for lost education aid and/or cut the teachers, classes and programs that were being funded by the education aid that was lost.

Once the siphoning of students starts, reversing it is difficult unless local educational programming can remain competitive with or superior to those school districts who are accepting our students and receiving the related revenue that is transferred to that school district or charter school from Burrillville!

In my opinion, this is a direct result of questionable state policy and related legislation.

Legislation

In the spring-summer 2018 edition of The Bugle, I laid out a number of important legislative goals and objectives set forth by the Rhode Island League of Cities and Towns.

A full list of legislative goals and objectives is continued in the spring edition of The Bugle. Past editions of the Bugle can be found by going
The areas of concern include:

- Car tax revenue,
- Municipal rubbish and recycling (tipping) fees,
- Union contract perks impacting state and municipal union contracts, which included mandatory arbitration requirements and automatic extensions of union contracts that are at impasse,
- Land use laws impacting our ability to use and manage private property,
- Enhanced benefits for certain municipal employees who may be (or will be) on work-related injury status,
- Frequency and cost of mandated local property revaluations,
- Public policy on renewable energy.

If you want to find out how Mr. Fogarty, Mr. Keable or Mr. Newberry voted on these important issues, please go to:

http://webserver.rilin.state.ri.us/legislation/.

**Statistical Revaluation**

The current state law that requires property revaluations every 3 years was not changed by the state legislature and Governor. As a result, the town will be performing a statistical revaluation this summer and fall. Property values as of December 31, 2018 will be impacted and next year’s tax bills will reflect the results of that revaluation.

The housing market has improved, which means that most home values have gone up. That is obviously a good thing for property owners. Most people think that if their property value goes up, their local tax bill will automatically go up as well. However, that is not the case for the majority of property/home owners. The town adjusts the tax rate (lower) to compensate for higher property values resulting from the mandated revaluations. So, all things being equal, and assuming most properties fall within the average increase of values town-wide, local taxes should not be impacted simply because of the revaluation process.

Local taxes are impacted by revenue received and expenditure budgets. As noted earlier in this Bugle article, if revenue (such as school aid) changes or there are budget increases, that will impact local taxes.

**Energy Siting Act (ESA)**

In 2016, the Town Council prioritized an important legislative initiative to modify the state law that sets forth the process to review and approve energy facilities, including power plants.

The existing law (ESA) is over 30 years old and is not, in my opinion,
structured to protect the interests of Burrillville or any city or town hosting these facilities.

The existing law does not allow a city or town that hosts these facilities any legal standing to approve (or not) those facilities.

Burrillville is prime territory for these facilities because both high capacity natural gas delivery lines and electric power lines run right through the town. So, whether it’s now or sometime in the future, power companies will be looking to build facilities here.

Legislation submitted in both 2016 and 2017 failed to make it through into law and the Governor was absolutely no help!

Based on our experience with the Invenergy power plant proposal, a complete overhaul of the ESA is imperative! If not, it will be extremely expensive (hundreds of thousands of dollars) for taxpayers with absolutely no assurances that the town’s interests will be protected! This is UNACCEPTABLE!

Economic Development

The Town Council and Redevelopment Agency are continuing redevelopment efforts in Stillwater and downtown Pascoag. Both are coming along nicely. Little by little we are making progress in these important villages. Both require patience and PERSEVERANCE.

We continue to improve the town’s industrial parks and isolated areas of the town when an opportunity arises. The latest improvement is to install a new water line from Commerce Park to Clear River Drive. This will loop the water system for safety and to provide water to the villages served by Harrisville Water District and Commerce Park in emergency situations.

A new economic development initiative is underway in Nasonville. Community meetings will resume this fall so that the planning to enhance existing attributes of the village, address existing problems, and to find proactive solutions addressing the needs of the village are community based.

Downtown Pascoag

The Redevelopment Agency is now looking for tenants for its new building on Pascoag Main Street. Street level commercial/retail/office space will be available as early as October.

Total space available is 4,500 square feet and of that 3,400 square feet is available for lease or rent. Current plans have three (3) new units available ranging in size from 850 to 1350 total square footage. The
space is flexible and could be increased (or decreased) if needed and the space can be modified to accommodate a number of uses.

Please contact the Town Manager, 401-568-4300 Ext. 145 or the Town Planner at 401-568-4300 Ext. 130 if there is interest.

From the Administration

The end of summer is near. Fall and winter are coming. It’s a beautiful time of year here in Burrillville. We wish everyone the very best, and even though the holidays are a few months away, have a safe and healthy holiday season.

Please remember to support Burrillville’s local business, vendors and retail establishments!

---

**We are looking for businesses generating jobs.**

The town has acreage for sale (with water and sewer available at Commerce Park.

*If you or someone you know is looking to locate or expand a business, please contact the Town Manager or Town Planner at 568-4300 ext.145 or 130. Commerce Park is Located off Route 102 between Central Avenue and Lapham Farm Road.*
The Stillwater Mill Pavilion has received two new metal picnic tables to replace worn and damaged wooden tables. These tables that seat 8 are metal mesh and tubular construction with a powder coat finish that will extend useful life of product.

An electric car charging station is coming to the Stillwater Mill Center. Recently, the town was awarded $60,000. from the State’s Office of Energy Resources to install up to 2 electric vehicle charging stations. One will be at the Stillwater Mill Center in the small parking lot near the Playground/Park. There will be signage to guide you. Charging will be free during introductory period.

The Redevelopment Agency is considering installing permanent restroom facilities at the pavilion. This would help alleviate usage of the Library’s facilities during public events and make renting the pavilion for private functions more attractive. It is our hope to have new facilities installed for the summer 2019.

Did you know there is a canoe/kayak launch providing access to Clear River at the Stillwater Mill Center? It is located at the south end of the Clocktower Building and can be accessed at the beginning of Central Avenue. Watch for the sign on left just before entrance to Stillwater Heights.

**Downtown Pascoag Redevelopment District**

After several years of demolition and new construction, the new buildings at 75/81 Main Street and 74-84 Main Street are ready for occupancy. At street level, Well One Health Care will expand its services by occupying a portion of 74/84 Main, and we are awaiting a tenant for the radiology section. The upper level consists of 5 housing units provided by NeighborWorks Blackstone Valley /Greenridge Associates, LP and have been occupied since mid-summer.
75/81 Main Street will house Retail/Commercial/Professional space at street level. Space can be divided to meet the needs of a potential tenant. The agency is providing rough space with finished fit out the responsibility of lessee. For further information contact Scott Gibbs at New England Economic Development Services, Inc at 401-658-0665. Upper levels of this building will feature 16 housing units provided through NeighborWorks Blackstone Valley and Greenridge Associates, LP.

Welcome to Pascoag!

New signs will be installed on the common area near the Bridgeway and at the end of Sayles Avenue facing South Main Street / Route 100. Helping to define the village, a brief history of the mills that once operated in the village and a short story on the origin of the name Pascoag will be on backside of signs.

Nasonville Redevelopment and Village Planning Project

Two key components of this plan include the rehabilitation of the old Turex Mill complex at the corner of route 102 and Route 7 and the Stone Arch bridge that crosses the Branch River at intersection of Route 7 and Victory Highway. The agency has retained the services of Crossman Engineering to work with the Rhode Island Department of Transportation to develop a plan for the bridge that will improve traffic flow and accommodate safe pedestrian travel crossing the bridge and intersection. If approved by DOT, these improvements will allow plans for the mill site to continue as the central component of the Nasonville Village Redevelopment.
FYE 2018 Audit
The audit for fiscal year ending June 30, 2018 is currently under way and will be completed before the end of the calendar year. The Town continues to maintain a strong financial management operation.

Debt
The Town of Burrillville has entered into a $700,000 drinking water loan through the RI Infrastructure Bank to construct improvements to the water system. The borrowing will provide the construction component and the Harrisville Fire District will provide the pipes for the project.

A Message from the Finance staff
In our last issue of The Bugle, we thanked the Board of Administration for the updating of our offices with fresh paint and new flooring. We’d like to thank them again for the new carpeting within the halls of Town Hall. What an improvement!

**Property Tax Revaluation**

The Town of Burrillville has contracted with Vision Government Solutions to conduct a State mandated property tax revaluation. The goal of the revaluation project is to determine the market value of all taxable properties within the Town as of December 31, 2018. The last revaluation was conducted in 2015. The 2018 revaluation is a statistical revaluation that will include interior and exterior inspections of all recently sold properties and also for properties with open permits.

**Out of State Vehicle Registrations**

If you have moved in the last year, please check with the Assessor’s Office to be sure your current address is on file with us. The law requires you to notify the Division of Motor Vehicles within 10 days of any change of address if you have any registered vehicles.
State Law prohibits Rhode Island residents from registering their vehicles (plates) in another State and garaging or keeping the vehicle in Rhode Island subject to certain exemptions. Rhode Island General Law, Chapter 31-7 addresses the requirements of the law, as well as exemptions from the law.

As Of June 1, 2014, the Burrillville Police Department began enforcing the State Law.

Burrillville residents garaging out of State vehicles in Burrillville should contact the Town Assessor's Office for information. Out of State registrations that qualify for an exemption must file an annual report with the Assessor’s Office at Town Hall to avoid potential violations.

**Phase-Out Program**

The State passed the Motor Vehicle Phase-out Program in 2017. We are currently in the second year of the phase-out which uses the State’s values and, by State law, the Town must charge excise tax on 90% of the value. Vehicles that are 15 years old or older are no longer taxed. The Assessor’s Office will be able to explain how your value and tax were calculated. Please keep in mind that the Town has no control over and cannot change the value of the vehicles.

**Exemptions**

Exemptions available to Burrillville taxpayers include Senior, Disability, Blind, Veterans, Prisoner of War and Gold Star Parent and a Historical Cemetery Preservation Property Tax Abatement. The Senior and Disability Exemptions are income based and must be renewed annually. To qualify for a Senior exemption you must be 62 years of age and you must have owned and occupied residential property in Burrillville for 3 years prior to the filing of the application. Applications must be received by December 31, for the next tax roll. There is one Senior exemption allowed per household. If you qualify, please stop in to the Assessor's Office with proof of age.

The Disability exemption is available to taxpayers who are totally disabled and receiving benefits. A copy of the “Notice of Award Letter” is required to receive the exemption. Each year upon renewal you must submit a copy of your "New Benefits Letter" to receive the exemption for another year. If you have any questions with regards to available exemptions, please call the Assessor's Office at 568-4300, ext.125.

*Exemption Application Deadlines*

December 31, 2018 for Seniors and Veterans
January 31, 2019 for Disabled

Qualified exemptions will be applied to the 2019 tax bill.

Fishing Licenses

Starting in 2018 Rhode Island Department of Environmental Management (DEM) will no longer use paper forms to apply for licenses and permits. They provide a fully web-based system for the issuance of fishing and hunting licenses and permits. The new system is part of DEM’s ongoing efforts to improve customer service and to streamline their processes.

Key benefits of this new system include:

- Apply for and print licenses and permits at home.
- Licensees will be issued a unique I.D. number to be used each year.
- All licenses and permits will be listed on one document.
- Licenses can be reprinted if needed.

The Town Clerk’s Office will continue to be an authorized sales agent for the DEM and will be able to issue all of the licenses and permits offered by DEM, including (but not limited to) deer and turkey permits, through the new eGovernment Services system. There is an Enhance Access Fee of $2.00 per license and $0.50 per permit for residents and $3.00 per license and $1.00 per permit fee for nonresidents.

The DEM will continue to offer fishing licenses for sale through their website at: https://www.ri.gov/DEM/fishinglicense/. The fees are paid with a credit or debit card only. There are no Enhance Access Fees charged when purchasing licenses and permits directly from DEM on their website.
**Permanent Fishing/Combination Licenses**

Persons who are 100% permanently disabled are eligible for a fishing/combination license at no charge. This license is available at the Town Clerk’s office. Applicant must show their original letter of the final decision showing the expiration date of the decision. This is the letter SSI/SSDI sends every year. Persons over 65 are also eligible for a fishing/combination license at no charge. All over-65 licenses require identification. Permanent licenses for over-65 are available at the Town Clerk’s office. There are no Enhance Access Fees for this license.

**Notary Public**

Notary public services are available at the town building during regular hours. There is no fee for this service.

**Contact your elected officials**

Please be advised that in most cases, you will receive your records more quickly from the city and town locations.

- A person who has been granted a court order instructing the registrar to provide disclosure.

Vital records by mail

The Burrillville Town Clerk’s Office will accept a mail request for a birth, marriage or death record. The certified copy is usually mailed to the applicant on the same day the request is received in the Town Clerk’s Office. To receive a certified copy of a birth, death or marriage record via mail, you must send a readable copy of your picture identification and a completed application which you can find on the Town Clerk’s page of
the Town website. If you cannot access the application, please provide the following information:

- the date and city/town where the event occurred
- your relationship to the person named on the record
- why you need the record
- births only, provide the name of the father and the mother’s maiden name
- your signature and printed name
- your mailing address and your home phone number in case we need to contact you.

Any court appearance which does not end in a dismissal will have court costs of $50 assessed.

**NEED HELP SHOVELING SNOW?** If you are a senior citizen, have a disability, or are dealing with an injury preventing you from shoveling, we have the help you may need. The Burrillville Police Department and students of Burrillville High School have teamed up to help you shovel during the winter. There is no fee for this service as all students are working for community service hours. All interested Burrillville residents who meet the requirements may complete the required registration, available at the police station, or our website at: [http://www.burrillville.org/police-department/news/need-help-shoveling-snow](http://www.burrillville.org/police-department/news/need-help-shoveling-snow) Questions can be directed to Officer Veader at 401-568-6255.

The mailing address for the Burrillville Municipal Court is P.O. Box 419, Harrisville, RI 02830.

E-COMMERCE SAFE ZONE: The Burrillville Police Department would like to remind the public of an E-COMMERCE SAFE EXCHANGE ZONE located at the Wallace F. Lees Public Safety Complex, 1477 Victory Highway, Oakland. With the ever-increasing number of people buying, selling, and exchanging goods through popular sites such as eBay, Craigslist, and Facebook, the Burrillville Police Department provides a safe place for citizens to facilitate their transactions and exchanges of merchandise. There are two locations at Police Headquarters for these safe exchanges, both of which are marked with signage designating them as such, and which are monitored by cameras:

- South front parking lot, adjacent to the impound fence.
- Inside the front lobby of the police station.

Please note that no appointments are necessary and you do NOT need to check in with the department when making an exchange. Also note that the Burrillville Police Department will not engage or assist in these transactions, nor will they authenticate payments or exchanges of merchandise. If you have any questions regarding this new E-COMMERCE SAFE EXCHANGE ZONE, feel free to contact BPD at 401-568-6255.

WEBSITE AND FACEBOOK: If you are on Facebook, please take a moment to look us up and "like" our page. We are striving to keep this page updated with submissions of weekly police logs and photos, as well as immediate announcements such as weather conditions, road closures, missing persons, etc. This page also gives you another avenue to contact this department with posts or private messages. Our website: www.burrillville.org/police is the place to go for general information about programs and happenings as well as access to many downloadable forms. The website is also updated regularly, so take a moment to look us up and add our website to your favorites list.

CODE RED SYSTEM: The Burrillville Police Department occasionally sends out notifications to town businesses and residents through a telephone calling system known as CODE RED. Code Red messages can be sent out for various non-emergency situations such as to notify you of a sex offender residing in your area or to inform you of programs or
initiatives run by this department. Information on emergency situations such as an Amber Alert for a missing child can also be disseminated through a Code Red announcement. What we have used it the most for, however, is notifying and updating the people of Burrillville regarding threatening weather conditions such as hurricanes and blizzards. It is very important that we keep the Code Red list up to date. You can help by accessing the Code Red database yourself to be sure the information on your family or your business is accurate. You can also add cell phones to receive either voice messages or texts, and add email addresses to receive messages. To access the database, simply go to the Burrillville website at [www.burrillville.org](http://www.burrillville.org) and you will find the Code Red link under the “Residents” tab on the top of the page. The instructions are easy to follow. There is also a link to Code Red under the “Sign Up” tab on our Facebook Page.

We appreciate your cooperation in helping us make the most of the Code Red program.

**B-SAFE PROGRAM:** We would also like to remind you once again of a program we run called B-SAFE, which stands for BURRILLVILLE SECURITY & AWARENESS FOR THE ELDERLY. The objective of this program is to make the police department aware of elderly, handicapped, or medically fragile individuals who live in town and may need some extra assistance. It works like this: you fill out a one-page BSAFE form with pertinent information on the subject you’d like to enter into the program. This form can be picked up at Burrillville Police headquarters any time, 24 hours a day, or printed from the “downloadable forms” section of our website: [www.burrillville.org/police](http://www.burrillville.org/police). Once the form is received back at the station, you will receive a call from Lisa Rabideau, program coordinator, to go over the specifics. All data from this form will be entered into our computerized dispatch system, so that whenever a call for emergency services is placed from that residence, dispatchers and officers are immediately aware of any special needs of the person or persons living there. In addition, registrants may choose to receive regular phone calls where we check in and be sure everything okay. If anything is amiss, an officer can be dispatched to the residence and a family member can be contacted. If you would like more information or need a BSAFE form mailed to you, please contact Lisa Rabideau at 401-568-9494, ext. 1.

**NOTARY SERVICE:** You may not be aware of the fact that many members of the Burrillville Police Department are Notary Publics, and
there is normally a notary available every shift, 7 days a week. If you are in need of a notary, feel free to stop by the police department any time. This service is provided at no charge. Feel free to call 568-6255 before you come to the station to be sure there is a notary on duty and available.

**VIN CHECKS:** If you have purchased a used vehicle that is a 2001 model year or newer and has an out-of-state title, or you are transferring a vehicle registration from another state, a VIN check verification is required before that vehicle can be registered in Rhode Island. For your convenience, the Burrillville Police Department does VIN checks twice a day, 7 days a week – from 10 – 10:30am and 1 – 1:30pm. You must bring the vehicle with you to the police station during these times, and also must have the original out-of-state title and $10 check or money order made out to the Town of Burrillville. Cash is also accepted for VIN checks but you must have the exact amount.

**RECORD CHECKS & FINGERPRINTS:** Many prospective employers now require state record checks (BCI check) for employees and those positions working with children often require fingerprints and a national record check as well. Some volunteer positions may also require these checks. Laws have changed regarding where such checks can be done. Although there are a few exceptions, as a general rule, if a state BCI check only needs to be done, you should get it done through the RI Attorney General’s Office. For more information on their walk-in hours, as well as directions on how to obtain a record check by mail, go to their website at [www.riag.ri.gov](http://www.riag.ri.gov) and click on the “criminal records” section. If you need a national record check with fingerprints, call this department at 568-6255 for more information and to make an appointment with a detective. Note that fingerprints being done for school department employees (including sub-contractors of the school department such as bus drivers/monitors and cafeteria workers) cost $30. Also, please note that NO record checks of any kind are done for juveniles.

**ALARM ORDINANCE:** In 2012, the Town of Burrillville passed an alarm ordinance. Under this law, every building in town (whether business or residence) which has a burglar alarm must register with the police department. The ordinance can be viewed on the town website. You can also download an alarm registration form from the website or pick one up at the police station any time. If you need more information, contact the police department at 401-568-6255. Don’t wait to get your alarm registered!
The Burrillville Addiction Assistance Program is a new and innovative program dedicated to serving the residents of Burrillville who may suffer from or have family members suffering from alcohol or drug addiction. The unique part of the program follows suit with many cities and towns across the country. Addiction treatment resources are available. The Town of Burrillville, in conjunction with the Burrillville Police Department, will assist those seeking to address their addiction with locating resources along with a plan for recovery and new path in life.

The program, which began on January 2 of 2018, has tremendous community support and has already delivered a bridge to detox, treatment and recovery services to Burrillville residents since that date.

**EMA office & Emergency Operations Center**

The Burrillville Emergency Management office is located within the Burrillville Police Headquarters Complex. When extended emergency conditions exist, the municipal court / community room is transformed to an Emergency Operation Center (EOC) where all management duties including communications, logistics, and documentation are performed. The EOC is also utilized for pre-incident planning involving representatives of all town departments.

**News**

The Burrillville Emergency Management Agency was awarded a grant for emergency communications upgrades. We are working with the chief of police and the town’s fire chiefs to plan and implement needed equipment to upgrade the emergency communication issues currently faced by the fire departments. We hope to have the upgrades in place by the end of the year.

We are very excited and are hoping to be back in the building before the end of the year. As always, you can reach us at 401-568-9480.

With fall upon us, the holidays will approach quickly. Please remember that pets are rarely a good gift idea. If you are considering giving a pet as a gift, make sure that the person receiving it truly wants a pet and is capable of caring for it physically and financially. Pets require a commitment of time and money, and many end up in shelters because unprepared owners are unable to take proper care of them. Consider purchasing the pet supplies needed with the promise of a pet after the holidays. This ensures that obtaining a pet is not on impulse and gives the receiver adequate time to consider the best type of pet and what care it will require. Arriving in a new home during the holidays can be extra stressful on a pet with all the excess company, or absences, and noise, not to mention the additional hazards such as tinsel, ornament hooks, glass decorations, etc. For parents giving a pet as a gift to a child — remember that no matter what promises your child may make regarding taking care of a pet, the responsibility for ensuring the pet is properly cared for will be yours. After the novelty wears off, you are the ones left with the care of the pet while your children become interested in other things. Please make sure you are ready for that commitment before giving your child a pet.
When adopting a dog, please do your research. Be extra careful when adopting a dog that originates from out of state. Private rescues importing dogs from out of state are required to be licensed with RI DEM Division of Agriculture – Animal Health. There are specific health guidelines that must be followed in order to bring dogs into RI. These policies are in place to protect you, as the adopter, and pets that are already living here in the state. There have been numerous cases of illness documented in dogs brought in from the south, most often in scenarios where they have been imported by unlicensed parties that have not met the required health requirements. Please educate yourself and make sure you are adopting from a group licensed to operate in RI.

We would like to remind everyone to check their pets’ vaccinations. Rabies vaccines are required for all dogs, cats, and ferrets. Although Rabies is the only legally required vaccine, other vaccines are important too. There continues to be an increase in canine parvo activity in Rhode Island and all over New England. This is a highly contagious virus which is easily transmitted. It is prevented by vaccinating, but is extremely costly to treat and can be fatal to your dog.

**Reminders:**

- There is a leash law in effect for dogs. All dogs must be leashed when off the property of the owner.
- All dogs must be licensed. Licenses can be obtained at Town Hall with proof of a current Rabies certificate.
- We have recently seen an increase in the number of dog bites “at large”. Please be a responsible dog owner and make sure that your dog is properly confined for public safety.
- There is also a dog waste ordinance in effect. Failure to remove dog waste is an environmental and human health hazard, can transmit disease that is communicable to other animals as well as humans, and can contaminate our water ways. Please be responsible and clean up after your pet.

**A note about bird feeders:** They attract beautiful birds that many people enjoy watching and photographing as a hobby. But they also have a nuisance side. Feeders not only attract birds, they attract mice and other small rodents, such as rats, chipmunks, and squirrels as well as animals such as skunks and raccoons, all of which carry fleas and ticks. The white mouse plays a big role in the spread of Lyme Disease.
and is an expert at invading homes, where it rapidly reproduces. The attraction of small rodents and animals is also often followed by the larger mammals that prey on them. An excess of bird feeders and the excessive birds attracted to them can cause a whole host of potential problems. Bird feces can contaminate human food and water sources, fecal dust can be inhaled into the lungs, direct contact with bird feces to a wound can result in infection, and they also harbor fleas, ticks, mites, and other parasites. Birds can carry several hundred different viral and bacterial agents. Birds can also be quite destructive to human property, causing corrosion with the buildup up bird waste. The intent of this article is to educate and ask that people be reasonable and responsible in their feeding of birds. Limiting the number of bird feeders on your property will aid in controlling the number of birds nesting in the area of your home and those that surround it. When large amounts of birds are attracted to one small area, the feeding party may enjoy watching the birds, but the consequences of the high population can cause a nuisance to your neighbors as well as a health hazard to all of you. We ask that everyone please consider limiting the number of feeders on your property and being considerate of neighbors that do not have feeders and may be affected by all of the nuisances that can accompany a large number of birds. We thank you for your consideration.

As we continue our efforts to control the stray and feral cat population, please remember that all cats are required to be spayed/neutered by the age of six months so that they are not able to contribute to the population of unwanted pets. Luckily, there are low-cost options available. Burrillville Animal Control continues to host low cost spay/neuter clinics for cats on a monthly basis. Services are provided by Dr. Ryan Loiselle of Salmon River Veterinary in their mobile surgery unit, and clinics are held on the Shelter premises. These clinics are for cats only, and the cost is $75 which includes the spay/neuter surgery as well as Rabies and FVRCP vaccines. Registration is made by contacting Salmon River Vet at 401-793-0092, or you may visit their website at www.rimobilevet.com. Low cost spay/neuter services are also available through Ocean State Animal Coalition’s RI Community Spay/Neuter clinic. This clinic provides discounted spay/neuter services for dogs and cats, with extra discounts for feral cats and pit bulls. For more information, you can reach them at 401-369-7297, or visit their website at www.oceanstateanimalcoalition.org.

**PARKS & RECREATION: The Benefits are Endless...**

**Be Happier - Feel Great!**

Practiced in clinical, residential and community settings, the profession of therapeutic recreation uses treatment, education, and recreation services to help people with illnesses, disabilities and other conditions to develop and use their leisure to enhance their health, independence and well being. Outdoor adventure activities for people with limited physical ability give participants feelings of success and improved feelings of confidence. There is no greater opportunity for people to experience self-actualization and the spiritual renewal, creative expression, discovery and stimulation than leisure offers.

We would like to extend our appreciation to our wonderful beach staff who worked hard this summer to make the beach fun and safe. Be sure to visit again next summer!
Recycling News

2018 Eco-Depot / E-Waste/Shred Event Rescheduled!!

The collection event previously scheduled for October 20th, 2018 in Burrillville has been rescheduled. The new date is May 11, 2019. Burrillville was just informed of this change. We apologize for any inconvenience this may have caused. Please direct all concerns regarding this change to RIRRC (Johnston Landfill) at 942-1430 x 241.

Residents who are looking to dispose of any hazardous items during 2018 have the option of taking them to an Eco-Depot at RIRRC at 65 Shun Pike, Johnston, RI between 8:00 a.m. and 12:00 p.m. (weather permitting) on the following dates:

- August 11th
- October 20th
- December 15th

Recycle Rate Update

Burrillville’s current recycle rate is 28%. Residents continue to do a great job, however there are many items still ending up in recycling carts that are not recyclable. Recycling loads that are contaminated or contain prohibited items may be rejected at the MRF. A rejected load costs the Town $250, and all the contents of that load must be landfilled at $47/ton. No one wants this to happen! While nobody’s perfect and mistakes happen, please do your part to keep the following items (all seen recently in the recycling) OUT of your recycling bin:

- Food, leaf and yard debris, construction and demolition debris,
- clothing, textiles, and tarps, plastic bags, recyclables IN plastic bags, diapers, tires, chains, cables, wires, ropes, hoses, household hazardous waste, propane tanks, scrap metal and paint.

Please take the time to review the list of accepted items and contact the Recycling Coordinator with any questions. For any questions on the Do’s and Don’ts of recycling in RI, please visit www.rirrc.org, or call the Town’s Recycling Coordinator at 568-4440 x12 or ahall@burrillville.org.

Thank you for recycling and helping to Keep Burrillville Beautiful!

Field Trips - It’s not too late to book a field trip to the landfill to see how
the single stream sorting process separates our Town’s recyclables. Field trips are free! If you would like to book a field trip for your school or group please contact Andrea Hall at 568-4440 x12 or ahall@burrillville.org.

**Upcoming Recycling Events**

**September 8th, Green Festival:** The Green Festival will take place from 10:00 a.m. to 2:00 p.m. on September 8th at the Stillwater Mill Complex. This community event is offered by the Pascoag Utility District and Department of Parks and Recreation. Residents are able to visit with Green Vendors, learn about energy conservation and recycling, and participate in free workshops. There will be Refuse and Recycling displays and information regarding recycling in Town, as well as a free recycled craft. For more information on this year’s Green Festival contact Desarae Dolan at the Pascoag Utility District 401-568-6222 x223 or ddolan@pud-ri.org.

**Weekly Setout Reminders**

- Trash and recycling carts are the property of the Town. **No markings are permitted on the cart other than in the white address label on the top of the lid.**
- Place one cart on each side of the driveway or place carts 3 ft. apart from one another and from other obstacles.
- Place carts no more than 3 ft. away from the curb or road edge.
- Arrows on the cart lid must face the street.
- **Cart lids must be fully closed with no material sticking out.**
- No material may be placed on top of the cart lid.

**Why is it important to recycle as much as we can?**

Recycling saves the Town money! The more we recycle, the less trash we generate, and the less trash we have to tip at the landfill at a rate of $47/ton.

The Central Landfill is running out of room. If we don’t start taking more recyclables out of the waste stream it is estimated we will only have enough space in the landfill for another 22 years. When the landfill is full, Rhode Island municipalities will have to bring our Solid Waste elsewhere at a rate of approximately $96 per ton.

**Refuse & Recycling Information**

Residents can obtain information about delays due to weather events or holidays in one of three ways:

1. Visit the Refuse & Recycling webpage [www.burrillville.org/refuse](http://www.burrillville.org/refuse)
2. Check the Refuse and Recycling Voicemail Message (568-4440 x12)
3. Sign up to receive Public Notice Emails on the main page of
Town website [www.burrillville.org/subscriber](http://www.burrillville.org/subscriber).

As soon as Waste Management notifies the Town of any issues causing a delay or cancellation, that information is made available to residents. Information is updated immediately even when a decision is made after normal working hours, including over the weekend.

**Weekly Curbside Pickup**

Residents are allowed one BLACK lid Town owned cart for trash, and one YELLOW lid Town owned cart for recycling. Place trash and recyclables curbside no more than 24 hours before and no later than 7:00 a.m. on your scheduled collection day. Contact the Town’s Recycling Coordinator for information on Bagster bags - 568-4440 x12 or [ahall@burrillville.org](mailto:ahall@burrillville.org). Bulky items left curbside for a period of more than one day are in violation of Section 22-43 of the Solid Waste Ordinance and may be subject to fines and penalties.

**Appliances/White Goods**

Appliances are collected twice per month for a fee of $19 per item. Appliances include washers, dryers, stoves, refrigerators, air conditioners etc. Call Waste Management to schedule a pickup at 1-800-972-4545. Waste Management will not refund residents for items scheduled for pickup that disappear prior to the collection date. Non-Freon appliances can be brought to Whipple Ave for no fee. Local metal recyclers advertising in the Bargain Buyer will often pickup Freon appliances at no charge.

**Cart Maintenance**

Residents are responsible for periodic cleaning/disinfecting carts, properly storing carts when not in use, and cart replacement due to normal wear and tear. Contact the Recycling Coordinator for repairs to cart wheels, axles, lids and hinge pins.
Exchanging Carts
Residents can exchange their 65-gallon Town owned trash cart for a larger 95-gallon cart for a onetime charge of $50. 65-gallon recycling carts can be exchanged for a larger 95-gallon recycling cart for no fee. Cart(s) to be exchanged must be clean and in good condition. A $15 administrative charge will be assessed if the Town delivers and exchanges the cart(s). Residents may exchange their 65-gallon carts for smaller 35-gallon carts for no fee. A $15 administrative charge will be assessed if the Town delivers and exchanges the cart(s). The Burrillville Historical & Preservation Society’s mission is to preserve and protect Burrillville’s history. The Society meets on the 4th Tuesday of each month at 7:00 p.m. at its headquarters, the Bridgeton School in Pascoag. This 1897 schoolhouse serves as a repository for a collection of photos, documents, histories, scrapbooks, cemetery information, clothing and artifacts. The schoolhouse is open during monthly meetings, special events and by appointment. If you have old photos you’d like to share, we can scan them and return your originals.

We are always looking for volunteers to help us with cemetery cleanings. The work involves cutting brush, weed-whacking and raking leaves. We especially need volunteers that can weed-whack. Even if you can volunteer one hour of your time in a year, the help would be greatly appreciated. This is a great opportunity for high school students to get their community service hours for graduation. Please contact us if you’d like information on our adopt-a-cemetery program.

Gravestone conservation work has been completed in Cemetery #32 on Douglas Pike and Cemetery #31 on Ironmine Road. Work is progressing in the Sayles-Cook Cemetery in Pascoag. Dead and hazardous trees have been removed that were growing too close to the monuments.

If you own a historic cemetery on your property, you are entitled to receive a $100 reduction in your property taxes. However, you must maintain the cemetery by raking, mowing and/or keeping the brush out. You also must submit a dated photo.

**Summer Wrap-Up**

We enjoyed the bustle of summer, but as always, it went by too fast. The Children’s staff kicked off summer with Ice Pops and Alpacas on our Riverwalk. Many Feet Farm generously provided the alpacas. Music and rock themed activities were enjoyed by children throughout the summer as part of the 2018 theme, Libraries Rock! They made and played their own instruments, created pet rocks, played musical games, participated in a magic show and more! Teens had their own summer reading program which provided rewards for reading and exciting programs including a paint party, cupcake decorating contests, an outdoor water sponge-bomb fight and more! Teens also participated in a community service project by creating cards for hospitalized children. In addition to the hundreds of books read, adults participated in a variety of programs including a henna party, rock painting, DIY terrarium crafts, a rock-hounding program, a visit from Andrea Perron and more. The summer concluded with an all-ages Star Gazing Party on the Riverwalk with Skyscrapers, Inc. from the RI Astronomical Society. High powered telescopes allowed visitors to view Saturn and its rings, Jupiter, Mars and the moon.
Thousands attended our Friends of the Library Riverwalk Times Concert Series. Shows went on every Saturday night for 9 weeks. This year’s lineup included the Duke Robillard Band, Branded, the Jesse Liam Band, the Aviators, Brass Attack, Live Music Band, Whiskey Rhode and the DeLoreans and Lizzie James and the Greystone Rail. The 2018 sponsors were the Friends of the Jesse Smith Library, The June Rockwell Levy Foundation, Pascoag Utility District, Joseph and Sheila Burgess, The Taco Shop, Inc., Natural Resource Services, Inc., HCA LLC (Heitke Cook Antoch), DeBlois Financial Associates, LLC, Partridge Snow & Hahn LLP, Cale Keable Esq, Bayberry Commons Nursing and Rehabilitation, Crystal Lake Golf Course and Crystal Lake Tavern, Inc., Burrillville Chiropractic Center, Printer Pro Solutions, Inc, Dance Inspirations, Hopkins Bros. Auto Repair, Li’l General, Harrisville, The Cash Family, Overlook Nursing & Rehabilitation Center, Dunkin’ Donuts Pascoag & North Smithfield, Dino’s Park N’ Shop, Navigant Credit Union and Steere’s Burner Service. Plans are already underway for the 2019 series. If you have a suggestion for a band you would like to see in our line-up, contact Beth at the library.

Legislative Grant
The library received a $1000 Legislative grant sponsored by Representative Cale Keable. The funds were used to purchase an additional laptop and games to attract more teens to our daily Teen Hangout.

Champlin Foundation Grant
The library also received a generous grant from the Champlin Foundation which was used to create a business center in the library and add an additional handicapped accessible computer workstation. Be sure to visit the Champlin Room for public computers, a worktable, printing station and a copier/scanner configured to scan documents to email.

Friends of the Library
It is thanks to the Friends of the Jesse Smith Library that we are able to hold all of our amazing programs including summer reading programs, Halloween events, Riverwalk Times Concert Series and other special events. The Friends raise money through book sales, vendor fairs, silent auction and donations. They are always looking for new members.
Look for more information about joining on our website. The Friends meet in the library on the first Wednesday of each month at 6:30 pm.

Upcoming Friends events:

- **Fall Craft and Vendor Fair**: Saturday, November 3, 2018 from 10:00 am to 2:00 pm
- **Silent Auction**: November 5-17, 2018

**Library Card Sign-Up Month**

September is library card sign-up month, but the benefits of having a library card last all year long! In addition to borrowing books, magazines, DVDs and CDs from public libraries across the state, there are so many more things you can do with a library card. The library has several museum passes available which offer reduced or free admission to local museums and attractions, including the Providence Children’s Museum, Roger Williams Park Zoo, Mystic Seaport, Mystic Village and more. Do you enjoy reading eBooks and listening to audiobooks? Visit the Ocean State Library eZone to access thousands of digital titles (streaming movies too) that can be downloaded directly to your device for free, without worrying about overdues or late fees. All Rhode Islanders can access a variety of databases at no cost (most even without a library card) by visiting AskRI.org.

Resources are available which provide auto repair specifications, quality health information, a business and telephone directory, learn a new language, read full text magazine and journal articles, homework help, career/job resources, practice tests for many standardized tests and much more!

**The Children’s Department** is offering programs every day from Monday to Saturday through the fall and winter months. We welcome a new Children’s Librarian Ms. Jenn, our former Teen Librarian, who is planning some innovative story times and programs for fall and winter. Be on the lookout for STEM programs linking science, technology, engineering and math, special story times, gaming activities and programs designed for “tweens.”

**Teens** have been flocking to the library in search of fun and a place to hang out. We welcome Ms. Leslie as our new Teen Librarian, who is excited to serve Burrillville’s youth ages 11-17. Our **Teen Hangout** in our community room provides teens with food, games, crafts and a place to relax.
Our Teen Hangout Schedule:
Monday-Thursday: 2:00 to 6:00 pm
Friday: 2:00 to 4:30 pm

In addition to the Teen Hangout, Ms. Leslie is developing a variety of ongoing and special programs. Be on the lookout for announcements in the fall! Teens will not want to miss the second annual Haunted House in October. Keep up to date with teen happenings by following us on Instagram @jessesmithteens or stop by the Hangout!

Adults have many reasons to visit the library. We continue to offer one-on-one computer help to anyone who asks. If it is a simple question, we can help you right away. If it is more involved, we ask if we can set up a time so we can sit down with you and your laptop for more in-depth assistance. The library continues to offer wireless printing to our computer services. Stop by to print from your phone, computer or tablet. Visit http://tinyurl.com/jmsprint to upload a document to release on our public printers. You can even upload files from home to pick up later. The public photocopier is also equipped to scan documents which can be saved, emailed, etc. Looking to relax? Sit and color at our coloring table or work on a jigsaw puzzle.

If you enjoy researching your family tree, come in and use the Ancestry database for free at one of our computers or even on your own laptop! This online database is an amazing genealogy tool. If you would like some assistance getting started doing genealogy research, please contact the Reference Department to schedule an appointment for some one-on-one instruction.

This year, we added a subscription to the Newsbank’s Providence Journal online database. Locate full text articles and obituaries from the Providence Journal dating back to 1981. The database can be accessed directly in the library or from home (log in with your Jesse Smith library card).

Each month, we hold a new and unique craft program for adults. From mason jar lanterns to paper flowers, you are sure to love our craft activities and the creations we make together. Contact the reference department for more information about our craft for the current month, and to register. Learn something new in a relaxed setting and perhaps meet some new friends.
Ongoing library programs for adults include:

The **Adult Writing Group** is held every other Wednesday from 6:30-8:00 pm. This group provides a supportive atmosphere where writers can share ideas and experience with other writers.

The **Thursday Knitting** is open to knitters ages 10 to 100. Held each Thursday from 6:00 to 7:45 pm, the knitters have extra yarn and needles ready for newcomers. Bring your projects to knit, chat and meet new friends. Our **Book Discussion Group** continues meeting monthly here at the library. A different book is chosen with input from the group and the library leader. Keep an eye on the library’s webpage, newsletter and Facebook page for these updates.

In addition to ongoing programs, the library has many special events. This fall, we will be playing Book BINGO! Drop in to have fun and win prizes. As Halloween approaches, visit the library in October for a scare – the library will be transformed into a walk-through haunted house. You’ve never seen the library like this, so be prepared to be terrified! Follow library events in our newsletter and on the library’s website calendar and Facebook page.

Remarkable Burrillville Graduates

Our Burrillville School Department faculty, staff, administration, and school committee members are so proud of the accomplishments of our graduates, and we want to shine a light on those who make us particularly proud of the great work that we do every day!

This fall, we are pleased to recognize Mr. Raymond Menard, a well-known architect and philanthropist, who graduated from Burrillville High School in 1947. Born and raised in Harrisville, Mr. Menard joined the Marine Corps after graduating from BHS and served overseas during the Korean War. Upon his return, he studied architecture at Roger Williams University, and he eventually went on to found the architectural firm that became the Providence Partnership. Mr. Menard was responsible for developing plans for many of our town buildings, including additions to the Levy Rink. He was honored in 2016 for this work when the newly-constructed Raymond Menard Off-Ice Training Room at the Levy Rink was named after him. A dedicated supporter of many northern RI charities and trustee of the Levy Foundation for over 30 years, Mr. Menard has certainly made his mark on our town and our state, and we are proud to call him one of our own.

We look forward to recognizing many more Burrillville graduates who have made their mark on our community. If you know of a Remarkable Burrillville Graduate, please contact Mrs. Julie Mayhew, Director of Curriculum, Instruction, and Assessment, at 568-1301 or mayhewj@bsd-ri.net.

Career and Technical Education Pathways at BHS

There is a lot of conversation about Career and Tech Pathways in our secondary schools recently! A CTE pathway is a sequence of two or more CTE courses within a student's area of career interest. Pathways are designed to connect high school classes to college, industry certifications, and/or a career. The Burrillville Schools recognize that there are many different ways for students to achieve an education that prepares them for life beyond high school, and we are striving to provide a learning environment that allows all of our students to reach their individual goals.

Burrillville High School proudly offers ten different career and technical pathways to our students: Automotive Technology, Biomedical Science, Biotechnology, Business and Finance, Child Care, Construction,
Criminal Justice, Engineering, Environmental Science, and Graphics Communications. Several of our teachers have engaged in extensive training to provide hands-on, project-based instruction involving real-life problems for students to solve. This year, we have expanded our course offerings in technology at the middle school to ensure that our incoming freshmen are well-prepared for the demands of the pathway courses they may choose at the high school.

For more information about our CTE Pathways, please contact Principal Michael Whaley at 568-1310 or whaleym@bsd-ri.net. The full list of course offerings is also available on the Burrillville High School website—just click on the Academics tab and look under BHS Handbooks.

LIBRARY NEWS
In May/June we welcomed a new director, Gretchen H. Hanley, and a new Children’s Librarian, Patrick Tierney. They will continue to modernize the library, while ensuring that it does not lose sight of its historical roots. Both librarians share a strong focus on the community’s needs, programming for all ages, and ensuring that the library is a welcoming place to spend time.

PROGRAMS AND EVENTS
The Library offers regular programs for families, children, teens, and adults. In the fall, after the Summer Reading Program is over, we’re hoping to offer monthly programs for adults & teens, especially. Patrick is already planning his fall story times for children. We will continue with our Thursday “Crafternoons.” We may schedule a monthly or bimonthly Genealogy program run by Trustee Kathan Lambert. The possibility of a book discussion is on the agenda as well.

*We are always taking suggestions for new programs!* If there is something that you would like to learn or something you want to teach, please contact us. paslib.director@gmail.com or call 401-568-6226.

HISTORY
The Pascoag Public Library is an integral part of the history of the Town of Burrillville. It was the first library in the town, founded in 1871 by a women’s group called the Pascoag Union Sewing Society. In 1873, they renamed themselves the Ladies Pascoag Library Association, appointed a librarian, and purchased 163 books, which were housed in the librarian’s local store. The Library moved four times between 1883 and 1899 when Samuel Mellor offered the use of a room rent free over his mill office on Sayles Avenue where it remained until 1913 when it moved to the Steere Building on Main Street. At this time, charges associated with the loan of books were discontinued and the library became known as the Pascoag Free Public Library.

A bequest of $500 from Miss Rosamond A. Steere stipulated that the money be used for a free public library building within ten years. This started the building fund, which grew through numerous fundraisers and donations. The library’s current home at 57 Church Street was erected in 1924. By 2010, it was clear that the library needed room to grow. With grants from the Champlin Foundation and the Levy Foundation,
the library added a 36x22 foot addition, nearly doubling its size. Construction was completed in June 2011, at the 140th anniversary of the library’s founding.

The Library is privately owned by the Ladies Pascoag Library Association and governed by the Board of Trustees, which is still composed of all women.

The Burrillville Conservation Commission’s mission is to protect and preserve the natural tranquility of the local natural reserves, features and attributes that defines the Town of Burrillville’s natural characteristics which draws people to this community to enjoy the rural atmosphere, scenic vistas, recreational opportunities and many qualities of life. The Conservation Commission is responsible for the establishment of a seven-member party that serves as an appointed board reporting directly to the Town Council, Planning Board, Zoning Board and the many municipal employees that constitute the Town’s government.

Some of the wonderful areas the Conservation Commission manages are as follows:

1. Joseph O. Brock Blanchard – Nipmuc Trail, located off of Round Top Road, ¼ mile north of Smith Road. Trail is for public walking, hiking & fishing on 200+ acres of land along the Nipmuc River.

2. Wallum Lake Canoe Launch, located off South Shore Road on scenic Wallum Lake. Site is strictly for canoeing, kayaking and fishing. Swimming is prohibited.

3. Clear River Canoe Launch, located off Clear River Drive just behind the Burrillville Animal Control Facility. Access allows scenic exploration of the Clear River from the site to points south along Clear River towards Mill Pond in Oakland.

The Conservation Commission also provides natural resources to our residents on Earth Day, at the Annual Family Fair and other Town sponsored programs throughout the year. View the local listings for upcoming events.
As of June 2018, the BSA Cub Scouting program is now open to both boys and girls. They are now focusing on providing all of their values unto families.

Cub Scouts is a program for kindergarteners through fifth graders that teaches while having fun, focusing on character development, teaching practical skills and enhancing their community spirit. Cub Scouts are made up of Den’s (groups of boys or girls) for each grade. They meet once a week during the school year and then get together for a Pack meeting once a month to show what they’ve learned and receive their awards. There are two Cub Scout packs in Town.

Cub Scouts are run by trained volunteers and is a wholesome, worthwhile program for any youth. For more information about Pack 1 Pascoag, please contact Florence Stevens at 401-568-0395, or by email at newtfla@cox.net. For more information about Pack 102 Mapleville, please contact Chris Samek at 401-568-2220 or by email at cfsamek@cox.net.

Boy Scouts begin in fifth grade and can stay in until they’re 18 years old. Every day they are encouraged to live by the 13 points of the Scout Law. A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent. They are taught skills of the world around them by earning merit badges.

Boy Scouts are grouped by rank, not by grade. All boys start off as a Scout, then advance to Tenderfoot, Second Class, First Class, Star, Life and Eagle Scout. The Troops are separated into groups of similar ranks and skills, called Patrols. All the boys meet once a week and have a “Court of Honor” three times a year where they are recognized and are presented their awards.

There are three Troops in town. For more information about Troop 1 Pascoag, please call Newton Stevens at 401-568-0395 or her email at newtfla@cox.net. For more information about Troop 100 Pascoag, please contact Scott Terranova at his email scottterranova@yahoo.com or phone 860-336-1815. We begin our market season in June and continue through September, on Saturdays, 9:30 a.m. to 12:30 p.m., at our Farmer’s Market Pavilion, in The Stillwater Mill Commons, 75 Tinkham Lane, Harrisville. We’ve also added a weekday market on Thursdays, beginning from 3:30 p.m. to 6:00 pm. The Thursday market is held at our original location, The Burrillville Town Common, Main Street, Harrisville, in front of the gazebo. Join us at either or both markets in the spring!

The Burrillville Farmers Market is a nonprofit organization, whose mission is to improve the promotion and marketing of agricultural products in the town of Burrillville and our surrounding communities. The market’s goal is to nurture community appreciation of the consumption of wholesome, local foods, natural products and art in a lively neighborhood setting. By supporting local farmers and artisans, we hope to preserve farmland and the quality of rural life in our beautiful Burrillville community.

The Burrillville Farmers Market Association encourages a greater sense of community through fostering local business development, as well as providing educational opportunities for the entire family. We are striving to bring a diverse shopping experience, and to create a community gathering place filled with energy. We hope you’ll join us to reduce our carbon footprint and encourage a sustainable food system and lifestyle right here in Burrillville!

With several of our original farms still participating & many new farms & artisans who have joined us, we are mindful that we couldn't do this without the continued support of our Burrillville community. We have looked forward to sharing a season long celebration of all things good & plentiful.

URI Master Gardeners will once again be providing us with free seeds.
to distribute, with an emphasis on Heirloom seeds, which are so important. We will have a wide assortment of fruits, vegetables, herbs, eggs, honey, jams, soaps, rubs, plants, baked goods, and art. We hope to have local musicians who share their talents every week! We are pleased to welcome back our president, Al Bettencourt, as a vendor after taking last year off to recuperate from a serious car accident that affected his knee. We welcome many community groups and organizations to the market, to raise awareness of their missions.

Everyone is encouraged to enjoy our gardens alongside the pavilion. These gardens were created through the efforts and donations of our vendors, friends, Burrillville DPW, Seven Hills Rhode Island and Roots and Shoots Nursery. We are thrilled to see how these gardens have evolved through the combined efforts of so many hands, especially Gail and Al Bettencourt, who both work tirelessly to keep them in top shape! Please take some time to enjoy them!

We once again joined the Town of Burrillville, Parks and Recreation Department, Pascoag Utilities, and the Jesse M. Smith Library on several occasions to bring you some special events, such as the Family Fair in June and The Green Fest in September. To stay informed of all our upcoming events, check out our website, look for our Bargain Buyer ads!

We hope you'll come to our market and bring your family, meet up with friends and reconnect with the cycles of nature. We invite you to meet the farmer who so lovingly grows your food or bakes the bread, using ingredients they've grown! Listen to some fine music, purchase that unique gift from the artist who created it and most importantly be a part of our wonderful rural community!

We accept Credit/Debit, EBT (Bonus Bucks!), WIC, Senior Farmers Market Nutrition Coupons, available at the market, and Cash!
