An Officer who has been elevated to a rank, and relinquishes that rank, shall automatically go to the bottom of that promotional list and will remain there until a new list is made.

2.5.6 Major:
There shall be the rank of Major. This rank will be filled in accordance with Section 2.5.6.1

2.5.6.1 There will be one Major position to be designated by the Town as the Executive Officer.

The Town agrees to maintain one Major position and two Lieutenants positions. Further, whenever the Major position becomes vacant (due to promotion, retirement, resignation, death, termination or similar permanent vacancy of the position), the Town agrees to fill that position through the promotional procedures of the Agreement (2.7.4.). The promotional process for filling the Major vacancy shall occur within no less than 90 days of the occurrence of the vacancy (i.e., declaring the vacancy within 14 days of the occurrence of the vacancy; 14 day posting period; and 7 day posting of the eligibility list). The promotional process for Major will be open only to Lieutenants. All subsequent vacancies of the Major position shall be filled in accordance with the promotional procedures of the Agreement.

2.6 VACANCIES:

2.6.1 Probationary Officer Examination:
The Town shall establish the requirements for qualification of candidates for the position of Probationary Officer.

2.6.1.1 The Town shall further set forth publicly, except for the psychological examination, the criteria for examination and scoring of the examination.

2.6.2 Eligibility List:

2.6.3 Hiring Lists:
The hiring list for Probationary Officer candidates shall be active for no more than two (2) years.

2.7 PROMOTIONAL/APPOINTMENT PROCESS

2.7.1 General:
The general process by which Police Officers qualify for promotion to all Police Department ranks above the rank of Senior Patrol Officer is as follows:

2.7.1.1 Establishing Eligibility to Fill a Vacancy:
When a vacancy is declared it will be posted by the Town Manager. All Police Officers who have achieved the eligibility criteria (pre-qualification, years of service, etc.) specified for the posted position as of the date of posting by the Town Manager will sign the posting and will proceed to the next phase.

2.7.1.2 PRE-QUALIFICATION PROCESS FOR PROMOTION

1. All sworn, non-probationary officers of the Department shall be eligible for promotion to the next highest rank in accordance with Sections 2.5.3 and 2.5.4 of this Agreement.

2. Any Officer meeting the criteria of Sections 2.5.3 and 2.5.4 of the Agreement and who wishes to be considered for promotion must submit in writing a “Request for Consideration for Promotion to the rank of (either Sergeant or Lieutenant). This required memorandum allows the Officer to articulate in writing his/her qualifications that speak to his/her candidacy for promotion—demonstrated leadership qualities/examples, strengths that he/she brings to the Department, trainings, commendations, experience/exposure, overall work product.

3. Once an announcement of the promotional process is made, the Chief will convene a three-person review panel for each promotional vacancy (i.e., Sergeant or Lieutenant). The review panel members selected by the Chief will consist of Officers from the Burrillville Police Department who hold the rank corresponding to the promotional vacancy or higher.

4. The review panel will review relevant material to determine whether the Officer is pre-qualified to move to the next level of the promotional process. The criteria/material to be reviewed for each promotional candidate will consist of at least the following:

   performance/job evaluations;
   consultation/interview with the Officer’s immediate supervisor(s);
   attendance records;
   disciplinary records; and
   review of initial request for/submission of consideration for promotion.
The review panel will complete the review process and submit its decision on each candidate no later than two (2) weeks from receipt of the materials for each candidate.

5. Based on the review outlined in #4 above, two of the three panel members must agree that an Officer is eligible/pre-qualified to participate in the next level of the promotional process.

All decisions by the review panel will be in writing and signed by each panel member as either concurring or dissenting from the decision. Upon completion of the documentation by the review panel, the decision will be simultaneously transmitted by electronic mail to the Chief and the Town Manager. The Chief will distribute the results to each Officer.

6. If an Officer is determined not to be qualified by the review panel to proceed further in the promotional process, the Officer will have three (3) calendar days from the date of receipt of notification from the Chief to appeal the panel’s decision to the Chief. The Chief’s decision is final. The decisions of the panel and the Chief will not be subject to the contractual grievance procedure. The Chief will notify an Officer who has appealed of his (the Chief’s) decision in writing. The pre-qualification process will be completed three (3) working days after the three (3) day appeal period set forth in Section 6 has expired.

7. The list of eligible candidates will be posted and the promotional process will continue to the next level.

2.7.1.3. The posting will be open for a period of fourteen (14) calendar days. Any Police Officer who has attained the eligibility criteria (pre-qualification, years of service, etc.) for promotion will be eligible to participate in the promotional process. Those who sign this posting and meet the eligibility will then be placed on an eligibility list which shall be posted by the Town Manager no later than seven (7) calendar days from the date the prequalification process is completed.

2.7.1.4 Once the eligibility list is finalized, the date, time and location of the oral board shall be set by the Chief. The Town Manager, Chief and Union’s Executive Board shall be notified in writing.

2.7.1.4.a The final phase of the promotional process shall consist of an oral examination before a panel of three (3) Police Officers (including the Chief) of a higher rank than the examined Officer(s). The Chief shall coordinate this process and shall determine the third member of the panel should the two panel members be unable to agree on the selection of the third member as set forth in (i) and (ii) below. For purposes of composing the oral panel, the following will apply:
(i) For the rank of Sergeant, the oral panel shall consist of 1 individual selected by the Chief, 1 individual selected by the Union and the third panelist will be chosen by mutual agreement of the Chief’s and the Union’s representatives;

(ii) For the rank of Lieutenant, the oral panel shall consist of the Chief, the Executive Officer and a Lieutenant from outside the Department selected by mutual agreement of the Chief’s and the Union’s representatives;

(iii) For the rank of Major, the oral panel shall consist of the Chief and two Executive Officers from outside the Department selected by the Chief;

2.7.1.4.b The Town Manager declares all vacancies.

2.7.1.4.c Filling any vacancy is discretionary and the Town Manager may declare vacancies in those positions, as he/she deems necessary.

2.7.1.4.d Notwithstanding any other provision in this Agreement to the contrary, the Chief shall have the right to assign/transfer/detail, on a temporary basis and within his sole discretion, Police Officers to other divisions or areas of the Department as needed. A temporary assignment shall last for no more than one hundred and twenty (120) calendar days unless a written agreement between the Chief or his designee and the Union President to extend the temporary assignment beyond one hundred and twenty (120) days is executed. The Officer, upon completion of his/her temporary assignment, will be returned to his/her prior assignment for six (6) months unless the Union President and Chief otherwise agree. The language in this section is intended to allow for the temporary filling of positions that are open due to extended leaves and/or absences (excluding vacations), to allow for purposes of training and to fill temporary needs both in and outside of the regular patrol assignment and shift. The parties agree that this language is not to be used to avoid compliance with Article 2.7.1.4. When this section is applied to fill an extended absence of a Sergeant or Lieutenant, the selection will initially be made from the existing promotional list for the Sergeant or Lieutenant position. Selection from this list will be at the Chief’s discretion. Where no list exists, the Chief may seek volunteers or he may select an Officer to fill the temporary position, at his discretion. When attempting to fill non-supervisory positions, the Chief will seek volunteers from the Department. Selection from the list of volunteers will be made by the Chief based on qualifications. If no one volunteers or if no volunteer is qualified to fill the opening, then the Chief will select an Officer at his discretion. When seeking volunteers under this Section, the position to be filled will be posted by the Chief or his/her designee for up to seven (7) calendar days except in the case of emergencies.

Fractions of points will be rounded up or down to the nearest whole point (.5 will be rounded up). The new promotional list will be active for a period of two years.

2.7.3.3 If new criteria or alternatives to the promotional processes become available during the term of this Agreement, the Town and the Union may utilize new criteria or alternatives by mutual agreement on a case by case basis only. An Officer who has been out of work for more than thirty (30) consecutive work days at the time a payment under this section is due will not receive said payment until he/she has been returned to full duty, at which time the Officer will receive a pro-rata payment based on the amount of time worked since the payment date (i.e., either July or January). For purposes of this section, a return to full duty must be authorized by either the Town or through a written report by the Officer’s physician in order for the Officer to be eligible to receive his/her full clothing payment.

4.4.3 Probationary Officers:

The cleaning allowance for a Probationary Officer will be paid on the next payment date after graduation from the RIMPTA and after the Probationary Officer is sworn. Cleaning allowances will be paid on a pro-rated basis for the first year and payments will be made consistent with the provisions of

Officers hired after June 30, 2019 who leave employment with the Town after July 1 in a given contract year will receive a pro-rata amount of their accrued but still unused vacation time.

Officers hired after June 30, 2019 who use all their vacation allotment in a given year and, thereafter, leave the Town’s employ before the end of the contract year in which all their vacation time was used will be required to reimburse the Town a pro-rata amount of vacation pay (the pro-rata amount to be calculated based on the number of months left in the contract year at the time the Officer terminates his/her employment with the Town divided by twelve).

4.5.2 Maximum Vacation:
A Police Officer hired on or before June 30, 1998 shall be entitled to a maximum of twenty-eight (28) tours of duty vacation. A Police Officer hired on or after July 1, 1998 shall be entitled to a maximum of twenty-five (25) tours of duty vacation.

4.5.3 Minimum Vacation:
Such vacation time shall be used in not less than daily durations except as allowed in 4.5.4.6. Any Police Officer who retires, resigns, or dies during the calendar year prior to his/her vacation and who has been employed as a Police Officer for the Town for more than one year, shall be, or his/her next of kin shall be, entitled to receive pay for all accrued and unused vacation days. Vacation will be scheduled in the following manner:

4.5.4 Vacation Scheduling/Selection Period:
On or before October 15 the Chief or designee, shall post a shift seniority list of all Police Officers for vacation to be taken between January 1 and December 31.

4.5.4.1 There shall be one round of bidding for vacation selection. Each Police Officer on his/her assigned shift shall be granted seven (7) calendar days to submit to the Chief and the FOP his/her selection of vacation, which selection shall be made in blocks of a minimum of four (4) consecutive tours (or five (5) depending on an Officer’s schedule) not to exceed a total of twelve (12) tours of duty (or fifteen (15) tours depending on an Officer’s schedule) in the first vacation selection round. By mutual agreement the parties may have a second and/or subsequent rounds of bidding for vacation selection.
If such additional rounds are agreed to, Officers will have three (3) calendar days to submit to the Chief and the FOP his/her subsequent selection(s). Officers working split shifts will select vacation with the shift on which the Officer’s shift rotation commences.

4.5.4.2 The seven (7) days shall commence the day after the previous senior Police Officer’s selection has been made or the period has expired, except that in the case of the most senior Police Officer on each shift, selection shall start on the day following the posted notices to start the selection of vacations.

4.5.4.3 Officers selecting vacation under Section 4.5.4.1 will be allowed to use, for selection purposes in a particular calendar year, vacation to be accrued to the officer during the calendar year in which the vacation selection period occurs even though the Officer’s anniversary date occurs after the close of the vacation selection period.

4.5.4.4 Requests for discretionary vacation time (vacation time not selected during the vacation selection period) must be submitted to the Chief or his/her designee at least seven (7) calendar days prior to the date(s) the Officer is requesting off for vacation. Requests made seven (7) or less days from the date, or first date if multiple dates are requested, will be reviewed and may be granted at the sole discretion of the Chief or his/her designee.

4.5.4.5 Under no circumstances will a senior Officer be allowed to bump a junior Officer from the junior Officer’s selected vacation time once said time has been scheduled by the Department/selected by the junior Officer.

4.5.4.6 An Officer may use up to no more than 8 hours of vacation time per year in two (2) hour increments subject to 4.5.6 and any other applicable provision of the Agreement. Furthermore, the parties agree that the use of vacation in two (2) hour increments as allowed herein shall not create overtime, nor shall it result in violations of minimum staffing or generate grievances related to any minimum staffing claim.

4.5.5 Vacation Duration:
Vacations shall be for a duration of no longer than eight (8) consecutive tours of duty (or ten (10) tours depending on an Officer’s schedule) in the vacation period (January 1 to December 31), unless otherwise granted by the Chief, provided that during the vacation period all Police Officers have been granted their initial choice of vacations; subsequently and in seniority order, additional vacation time may be requested in that period in one (1) week (four (4) or five (5) tours of duty depending on an Officer’s schedule) durations.

4.5.6 Request for Vacation Change:
A Police Officer may request a change of his/her vacation dates with approval from the Chief, provided that the new request does not deny anyone of a vacation previously granted.
4.5.7  Carry Over of Vacation:
A Police Officer has up to one year from his/her anniversary date to use accrued
vacation time or forfeit it unless authorized by the Town Manager to carry over no more
than 10 tours of duty (vacation days).

4.5.8  Staffing Needs During Vacation:
The Chief shall decide the question of needs for staffing before allowing more than two
(2) Police Officers to be on vacation at the same time: provided, however, such
provisions shall not apply in the case where two (2) or more Police Officers not on the
same scheduled shift request the same time period for vacation. Such provision is
subject to provisions governing emergencies. That in consideration therefore, the
Employer agrees that it shall allow a minimum of two (2) members of the patrol division
on any given shift to be off on vacation leave consistent with the provisions of General
Order #12, Series 1997 and this Article 4.5.8 of the Agreement, unless there is an
emergency declared by the Chief in writing.

4.5.8.1 Notwithstanding the last sentence of 4.5.8, if a shift is staffed with a Major,
Lieutenant and/or a Sergeant, only one will be granted the day off by seniority.

4.5.9  Vacation Denied During Emergency:
During emergencies, the Chief may deny previously granted vacation time or may recall
any Police Officer already on vacation provided the Chief has attempted to recall all
other Police Officers, if possible, whether such Officers are on a day off, holiday or not
otherwise scheduled. For the purposes of this Agreement, an emergency shall exist
when two (2) members of the patrol division on the same shift are absent by way of
injury, illness or leave of absence except for vacation, bereavement, or military leave,
for a period in excess of two (2) work cycles, or, when four (4) members of the patrol
division are absent for the same reason as noted above, regardless of shift.

4.5.10 Vacation List:
The Chief, upon receipt of requests for vacation, shall so record same on the posted
shift seniority lists and roll call rosters, provided that no conflict exists with any previous
vacation requests.

A Police Officer who works on a holiday shall be paid straight time. Police Officers shall
be entitled to thirteen (13) holidays as follows:

4.6.1 Accumulated Holidays:
At the Police Officer’s discretion, accumulated holidays may be paid biannually or leave taken with prior consent of the Chief. Credit for holidays shall also be given whenever a Police Officer is enrolled in a course of study or on any other authorized Police matter and is excused for that particular day from the course or other matter.

4.6.1.1 Each Police Officer shall be paid for any accumulated holiday pay on the last pay period of November and June of the fiscal year. The Chief shall notify Police Officers at least fourteen (14) days in advance of approval or rejection of holidays requested as leave.

4.6.2 Personal Days:
A Police Officer shall be allowed to take five (5) personal days with pay per year. The Department will agree to allow the use of personal days in one half day increments with approval by the Chief or his designee. The use of personal time in this manner (one half days) cannot create an overtime situation. Approval for use of personal time in one half day increments will be on a first come, first served basis.

4.6.3 Major/Lieutenants Holidays:
At the Chief’s discretion, a Major and/or Lieutenants may be assigned to work a 5 and 2 work schedule. If a Major or Lieutenant is so assigned, he/she may, at the Chief’s sole discretion, be granted the day of the holiday off in the week in which the holiday occurs or, if he/she is required to work on the holiday, he/she will receive his/her regular weekly salary plus an additional day’s pay for working on the holiday. It is the intent of this language that a Major and/or Lieutenant receive either the holiday off with pay (if he is not required to work on the holiday) or, if required to work the holiday or if he/she requests to work the holiday and said request is approved by the Chief, in his sole discretion, an additional day’s pay (or an additional day off with pay, but not both).

In addition to the above, effective upon ratification of this Agreement by the parties, the Major and Lieutenants shall be allowed to take two (2) additional personal days beyond the amount granted in 4.6.2 on an annual basis, said personal days to be used in accordance with 4.6.2.

4.7 SENIORITY:

Seniority of Police Officers within a rank shall be computed according to continuous service in each rank, provided, however, any Police Officer whose employment is interrupted for active service in the Armed Forces of the United States of America, such service shall be considered as part of said Police Officer’s continuous service; and provided further, however, that such service shall not be considered as continuous service if such Police Officer re-enlisted or continued his/her military after the time of his/her original service period, except as permitted under the Soldier and Sailors Relief Act including those rights contained in Public Law 93-508, as the same may be amended.
4.7.1 Vacation, Holiday, Shift Assignment Choice:
Seniority shall be the prime factor in the choice of vacation dates, holiday time requested as leave, and in shift assignment, consistent with the policy set forth in 4.7.1.1.

4.7.1.1 Policy and Procedure for Shift Bidding:
After the posting of the seniority list in compliance with Section 4.5.4 of the Agreement, and prior to the bidding for vacations, personnel will be given the opportunity to change their shift assignment.

The seniority list will be posted on or before October 1st. Following the posting and up to October 10th of each year, Officers may choose, by seniority, to change their shift assignment. Requests to change shift assignments will not be unreasonably withheld. Bidding for vacations will commence on October 16th. The new assignments will be effective January 1 corresponding to the vacation implementation schedule. Officers changing their shift assignment will remain on that shift for not less than one year.

Notwithstanding the above language, all non-ranking Patrol members will bid for shifts (as designated below) within a 4 days on 2 days off rotation. The number of shift assignments will be designated by the Chief. The shifts will consist of the following:

First Shift 8AM to 4 PM

Second/Third Shift Structured as below
- Day 1  2nd Shift
- Day 2  2nd Shift
- Day 3  3rd Shift (3rd Shift immediately following the 2nd day 2nd Shift)
- Day 4  3rd Shift

Any Patrol member within his/her first three (3) years commencing from the date they were sworn in will be subject to assignment on either of the aforementioned shifts as well as a straight second or straight third shift rotation within the discretion of the Chief.

- In the event that the above rotations for non-ranking Patrol members cannot be effectively rotated due to staffing issues or any issue at the discretion of the Chief a member may be assigned to either a second shift or third shift only or any other split shift to be determined.

Patrol Supervisors will also, similar to the non-ranking Patrol members, bid for shifts (either the first shift, the above mentioned second/third shift or a rotation of 2 second shifts and 2 first shifts) within a 4 days on 2 days off rotation.

- In the event that the above rotations for Patrol Supervisors cannot be effectively rotated due to staffing issues or any issue at the discretion of the
Chief a member may be assigned to either a second shift or third shift only or any other split shift to be determined.

After this process is complete, Officers may, in the event of extenuating circumstances, request to change their shift in compliance with Section 4.7.2 (Change of Shift Assignment) of the Agreement.

4.7.2 Change of Shift Assignment:
A Police Officer may request a change in his/her shift assignment at any time. In the event a request for shift change is granted, that Officer shall remain on such shift for period of not less than one (1) year. Nothing in this Section 4.7.2 shall be interpreted to allow a uniformed Patrol Officer to avoid the rotational assignment established by Section 4.7.1.1.

4.7.3 Start Date:
Seniority shall start from the first day of employment; that is, the first day he/she was placed on the Town of Burrillville payroll as a Probationary Officer.

4.7.4 Seniority List:
Within thirty (30) days after the execution of this Agreement, the Town shall furnish the Department and the Union a copy of the proposed seniority list(s) and the Department and the Union will have thirty (30) days in which to make any corrections or changes to these lists and signify an approval thereafter.

4.7.4.1 After the order of seniority has been approved by all parties thereto permanent and up-to-date list(s) shall be posted and maintained on the bulletin board at the Police Headquarters for the benefit of all Police Officers, and future seniority questions shall be resolved in accordance therewith.

4.8 LEAVE OF ABSENCE:
A Police Officer who, with the approval of the Town Manager, takes a leave of absence without pay for up to one (1) year shall cease to accrue all other benefits except health benefits pursuant to Article VI (Section 6.1).

4.9 BEREAVEMENT LEAVE:

4.9.1 Death of Father, Mother, Spouse, Brother, Sister or Child:
In the case of the death of a father, mother, spouse, brother, sister or child of a Police Officer, that Police Officer shall be entitled to a leave of absence, with, commencing from the time of the notification of the death to and including the day following the burial of the deceased, not to exceed five (5) calendar days.

4.9.2 Death of Grandparent or In-Law:
In the case of the death of a mother-in-law, father-in-law, grandparent, grandchild, sister-in-law, brother-in-law, daughter-in-law or son-in-law, that Police Officer shall be
entitled to a leave of absence, with pay, commencing from the time of the notification of the death to and including the day of the burial, not to exceed three (3) calendar days.

4.9.3 Death of Niece, Nephew, Aunt or Uncle:
In the case of the death of a nephew, niece, uncle or aunt, that Police Officer shall be entitled to a leave of absence, with pay, for the day of the funeral, provided said Police Officer attends the funeral.

4.9.4 Death of Other Relative:
In the case of the death of a relative other than as herein above provided, such leave of absence, with pay, shall be for not more than one (1) day to permit attendance at the funeral of said person.

4.9.5 Death of Non-Relative:
The Chief may approve leave for attendance to the funeral of any non-relative.

4.9.6 Unusual Hardship:
In circumstances where the death of a relative in any degree of kinship causes unusual hardship or suffering, the Police Officer may request of the Chief additional bereavement days. The Chief and the Town Manager will review the circumstances and, if both are in agreement, additional bereavement time may be authorized.

4.10 MILITARY LEAVE:
The Town will supplement a Police Officer’s pay to receive 100% of base wage while the employee is on monthly or annual Military Leave.

4.11 LEAVING THE DEPARTMENT:
An officer who terminates his/her service with the Department for any reason, i.e. the official date of a resignation, retirement, termination (voluntary or involuntary), will have offset against accrued vacation time otherwise payable upon termination of service, at a rate of one day used equals one less vacation day available, any sick time used during the 12 months prior to the Officer’s official date of leaving from the Department.

ARTICLE V

5.1 DETAILS:

5.1.1 Private Details:

5.1.1.1 This Agreement will have no affect on any municipal details for rate of pay, regardless of the date or time the municipal detail is worked.

5.1.1.2 For purposes of this Agreement, details performed for local civic, charitable and/or not-for-profit organizations will be deemed municipal details and will be paid at
municipal detail rates in accordance with Article V, Section 5.1.2 of the Agreement. The specific groups that will be included in this category will be determined through a case by case review between the Union President and the Chief. If no agreement can be reached, the organization in question will be asked to submit information, either verbally or in writing, to demonstrate its civic, charitable and/or not-for-profit status.

5.1.1.3 All details not exceeding ten (10) hours shall be paid at time and one half of the officer's normal hourly wage at the time the detail is worked. A minimum of four (4) hours for any detail will be paid for all types of details. All details that exceed ten (10) hours will be paid at two times the Officer’s normal hourly (straight time, non-detail) wage.

5.1.1.4 Except for details identified in section 5.1.2, the hourly rate for all details or portions of a detail (rounded up or down to the nearest one (1) hour increment), worked between the hours of 2200 and 0600 shall be double (two times) the Officer’s normal hourly (straight time, non-detail) wage. This rate will also apply to details worked on Saturday, Sunday and the following Holidays:

- New Years Day
- Presidents Day
- Columbus Day
- Christmas Day
- Martin Luther King Day
- Independence Day
- Thanksgiving Day
- Victory Day
- Labor Day
- Memorial Day
- Veterans Day

5.1.1.5 Any company, organization or person(s) who requests a detail officer for a private/non-municipal detail must give a minimum of at least eight (8) hours notice prior to the scheduled start of the detail if the detail must be cancelled. Failure to do so will result in payment of four (4) hours to the Officer(s) affected, payable by the party contracting for the detail.

5.1.1.6 The Town, at its discretion, may charge whatever additional fees it deems necessary as associated with all private/non-municipal details.

5.1.2 Municipal Town Details:
A Police Officer who works on a municipal (Town) detail, i.e., polling places, Town meetings, parades and like details paid out of the Police Department budget shall be paid at the rate of time and one-half their hourly wage with a minimum of four (4) hours payment.

5.1.2.1 Availability for these details shall work in conjunction with the current listing for regular private details and controlled by the Chief.

5.1.2.2 If a Municipal Detail is cancelled at least two (2) hours prior to the scheduled starting time of a detail, the Town will not be obligated for any payments to the affected officer(s). Failure to notify the Department will result in payment of four (4) hours to the Officer(s) affected.
5.2 LIST FOR PRIVATE DETAILS:

Subject to the oversight and authority of the Police Chief, an FOP designee shall maintain a rotating list of names by seniority of those active Police Officers who desire details. Police Officers desiring to add or remove their names from this list shall inform the FOP designee in writing. This list shall be available to all Police Officers (active and those who are ineligible for active duty), and the Chief.

5.2.1 Process:
The rotating list will be maintained in the patrol area or in an area or place mutually agreeable to the Chief and the President of the Union. When details occur, the Police Officer on top of the list may accept or refuse such detail. If refused, his/her name will then go to the bottom of the list. The next Officer on the list will be contacted and the same process followed until an officer accepts the detail.

5.2.2 Authority Over the List:
The list will be established and maintained by the Chief or the Chief’s designee(s) and will be managed by the FOP’s designee(s).

5.2.3 Retired Police Officers:
Honourably retired Burrillville Police Officers will be allowed to work details after all full time active FOP members have declined the detail. The Town is solely responsible to qualify candidates/retirees and to manage the process required to employ, utilize and manage these employees including, but not limited to, duty restrictions, rules and regulations, etc.

5.2.4 Officers working a detail who are not active members of the FOP, will be paid a base detail rate not greater than one and one half (1 1/2) times the lowest rate of a Senior Patrol Officer. The Town may set rates lower if so desired.

5.2.5 The Town may add whatever surcharges it deems appropriate to the Police Officer's rates when charging the party responsible for contacting a detail.

5.2.6 Rules and regulations for managing the detail program shall be established by the Chief in consultation with the Union President.

ARTICLE VI

The member will pay the full amount of the deductible due and submit documentation specified by the Town for reimbursement. Effective 7/01/09 the Town will reimburse each bargaining unit member 50% for the remaining deductible payments made by him/her, up to a maximum of $500 per year to employees with individual coverage and a maximum of $1,000 per year to employees with family coverage;

6.1.2 Healthcare Benefits:
No change from existing healthcare benefits will be made by the Town until after consultation with the FOP. However, the Town reserves the right to explore other health programs of equal or better benefits than the existing health program as a cost saving measure. If mutually agreeable, the parties can exchange health programs for a more cost effective plan.
6.1.2.1 In addition, the Town may offer equal or equivalent health insurance coverage under a different plan.

6.1.2.2 Officers who are receiving health insurance from the Town may opt out of that coverage, but if the Officer opts out of the coverage, he/she will not be allowed to resume health insurance coverage until the next open enrollment period.

6.1.4 Retirement:
Upon their retirement, a Police Officer shall be allowed to maintain participation in the Town’s group Health Care plan, to the extent provided under 6.1.4.1, until either covered by Medicare/Medicaid or he/she becomes employed on the condition that each retired Police Officer who joins will be required to pay the cost of their chosen coverage.

6.1.4.1 Retiree Health Insurance:

Plans and benefits for retirees shall be modified in the same manner as the plans in effect for active police union employees are modified or changed. In order to be eligible for this retirement benefit, an officer must retire as a member of the Department, have honorably served and qualify with twenty (20) or more years of service for retirement benefits under the State system. The employee shall not change plans or opt-in if not covered by a Town plan less than 18 months prior to his/her retirement date, unless the employee demonstrates changed personal circumstances or an emergency situation with proof of change/emergency satisfactory to the Town. Plans and benefits for retirees shall be modified as the plans in effect for active police union employees are modified or changed.

A retiree shall not be eligible to participate in any of the Town’s Health Insurance Program(s) if he/she is Medicare eligible. The Town will determine how the retired employee will pay for his/her share of insurance costs offered herein. Failure of the retiree to pay for the insurance and co-pay (co-share), if applicable, will result in the retiree permanently forfeiting his/her eligibility for the benefit at the sole discretion of the Town. Once a retired officer opts out of the Town’s health insurance coverage or is terminated for nonpayment, he/she shall forfeit his or her future eligibility to participate in the retiree insurance programs.
If an Officer elects not to accept the retirement health insurance benefit, in lieu of receiving said retiree health insurance coverage he/she will receive a buyout, paid on a monthly basis, in the amount of $300.00 per month. Said payments in lieu of receiving retiree health insurance coverage will commence upon the first of the month following the Officer’s retirement and continue for a maximum of 60 monthly payments. Once a retiring officer elects not to accept the retirement health insurance benefit, he/she will not be allowed to join or elect to receive retiree health coverage pursuant to 6.1.4.

6.1.5.2 All Officers covered by this Agreement shall have the option to elect out of their present health coverage and accept, in lieu thereof, a payment equal to $300 per month. If an Officer elects this option, he/she must do so during the enrollment period. No officer may be compelled to accept such an alternative payment. If an Officer chooses to exercise this option, he/she shall only be allowed to elect back into the health plan in the event of marriage, divorce, death of a spouse or child, birth or adoption of a child, termination from employment of his/her spouse or any other major change in family circumstances recognized under applicable law during the enrollment period. Effective July 1, 2012 and intending to grandfather the two (2) Officers who currently receive opt out payments and health coverage under a spouses plan, any officer with a spouse working for the Town (including but not limited to the Sewer Department or the School Department) will not be eligible to elect the above option nor will the officer be allowed to receive health care coverage under Article 6 of this Agreement if his/her spouse is working for the Town (including but not limited to the School and Sewer Departments) and is receiving health care coverage. It is the intent of this language to prevent Officers/employees of the Town who are married from both receiving health insurance coverage or one receiving health insurance and the other receiving an opt out payment.

6.1.6 Re-enrollment:
Re-enrollment in the Town plan shall be in accord with the rules and regulations of the health care insurance provider in existence at the time re-enrollment is requested. A copy of such re-enrollment rules shall be provided the Police Officer. Withdrawal from the plan in order to receive payments in lieu of Town health insurance coverage must be in writing.

6.1.7 Death In Line of Duty:
In the event a Police Officer dies in the line of duty, the family of that Officer shall continue to receive health care benefits provided to the Officer for a period of two (2)
years or until the Officer’s spouse remarries or the family is covered by another plan, which ever of those three (3) conditions occurs first.

6.1.8 The Town will provide health insurance as set forth in Article 6.1. The Town will not be required to equalize benefits of the offered health plans for the duration of this Agreement.

6.1.9 If at any time during the life of this Agreement the Town is notified by any governmental authority that it will or may be subject to an excise tax (i.e., any type of charge or payment) because bargaining unit employees are covered by so-called “High Cost Employer-Sponsored Health Coverage” (as may be required by the Affordable Care Act) the parties agree that this Agreement shall be re-opened for the sole purpose of discussing any such excise tax.

6.2 SICK LEAVE:

6.2.1 Sick Leave Bank:
After June 30, 1995, there will be no sick leave bank and sick leave will have no value at separation or retirement.

6.2.2 Probationary Officers:
A Probationary Officer must present a doctor’s excuse for any absence or it will be uncompensated except as State Temporary Disability Insurance Plan may provide.

6.2.3 Physician’s Certificate:
The Town shall require a physician’s certificate verifying an illness for absences of more than two (2) consecutive tours of duty but any Police Officer, at the Town’s direction, may be required to provide a certificate for any absence after warning has been given to a Police Officer in writing that their sick leave usage is considered more than average (three (3) unexcused tours of duty shall be considered average for one year). The Police Officer is responsible for the costs of the physician providing the certificate.

6.2.3.1 If a physician’s certificate (signed by the treating physician or a physician’s assistant or nurse practitioner) is not provided as per above, no sick leave will be granted and the time will be considered time off without pay.

6.2.3.2 A Police Officer on sick leave may be examined at the Town’s expense at anytime by a doctor selected by the Town Manager and/or Chief.

6.2.4 Definitions of Sick Leave:
Sick leave shall be defined as:

6.2.4.1 Personal illness or physical incapacity due to disease or injury to such an extent as to cause the Police Officer to be unable to perform the duties of the position.
6.2.4.2 Enforced quarantine when required by competent public health authorities for non-duty occurrences.

6.2.4.3 Illness or injury to a member of the Police Officer's immediate family which requires the Police Officer to attend, limited to eight (8) paid tours of duty per year and if the absence results in more than two (2) tours of duty being missed, a doctor's certificate verifying the family member's illness must be submitted or the absence will be uncompensated.

6.2.5 Computing Overtime:
A Police Officer absent from work because of illness will not have the time absent count toward work for the purposes of computing overtime within the six (6) day work cycle except when the Police Officer is ordered in after all others have refused the overtime.

6.2.6 Length of Absence:
A Police Officer may be absent for illness or injury in a fiscal year (July 1 – June 30), subject to physical examination by a physician at any time of the Town's choosing at the Town's expense. Transportation from the Police Department to the physician's office and back will be at the Town's expense. If the Officer uses his own vehicle for such transportation the Town will reimburse the officer at the IRS rate per mile cost then in effect.

6.2.6.1 The Police Officer will be responsible for all costs associated with getting to the Police Department.

6.2.6.2 If the physician determines the Police Officer is capable of returning to his/her usual duties, the Police Officer must return to duty.

6.2.6.3 For all Officers sick leave accrues in hourly increments at the rate of one and one half (1 and ½) days per month. In order to accrue sick leave for the month, the officer must be compensated for the entire month. Any unpaid time disqualifies the officer from accruing sick leave for that month. The sick leave accrual is not compensable. Effective upon ratification of this Agreement by the parties, maximum sick leave to accrue for Officers hired after July 1, 2005 is 390 hours. Probationary employees will accrue sick leave at a rate of one and one-half (1-1/2) days every two (2) months during the probationary period (maximum accrual during probationary period is nine (9) days).

6.2.6.3.a. Each Officer hired prior to July 1, 2005 shall be credited with 350 hours of sick leave. An Officer hired prior to July 1, 2005 may choose to discharge any sick leave from the 350 hours accrual in accordance with the reasons for use of sick leave under 6.2.4. Once an Officer hired prior to July 1, 2005 begins to deplete his/her 350 hours of accrued sick leave, he/she will begin to accrue sick time in accordance with 6.2.6.3.
6.2.6.3.b. Further, each Officer hired prior to July 1, 2005 (see attached list) shall receive an initial, one time allocation of an additional 290 hours of sick leave to be placed in a separate sick leave bank. Hours in this sick leave bank may be used for reasons of sick leave in accordance with 6.2.4. Sick hours used from this bank will not be replenished upon being used. Sick time in this bank not used by an Officer and remaining at the end of a contract year may be carried over from year to year until used. Provided, however, that any sick time not discharged shall not be subject to payment upon the Officer leaving employment from the Burrillville Police Department.

6.2.6.4 Officers hired before July 1, 2005 who have medical conditions requiring long-term care or extended absence from duty and who have exhausted or are about to exhaust their sick leave amount in the applicable fiscal year may be granted an additional 30 calendar days (maximum 160 hours) of sick leave. A request in writing shall be made by the employee to the Chief. The request must include a note from the employee’s physician substantiating the reason for the additional time away from work and an anticipated return to work date.

6.2.6.5 Officers out of work due to a work related injury or illness will not be entitled to receive more than 100% of their gross base wage, including any TDI benefits the officer may receive. When an Officer is receiving TDI he/she shall also submit a request for TDI as soon as possible and must notify the Town when he/she receives TDI payments so the Town can adjust their compensation. The Town will be responsible for the difference between the TDI payment and the amount necessary to provide the Police Officer 100% of their base wage. This provision shall be applied in accordance with the terms of Section 6.2.8. Failure to notify and reimburse the Town may result in disciplinary action.

6.2.7 Compensation:
The Town will pay a Police Officer absent because of off duty illness or injury their base wage or the difference between their base wage and Temporary Disability Insurance up to 100% of their base wage for up to the amount of sick days he/she has accrued in a fiscal year. If an Officer receives a 30 day extension of sick time under 6.2.6.4 the Officer will receive payment for that time consistent with the terms of this Section 6.2.7.

6.2.7.1 The Town will pay a Police Officer, hired on or after July 1, 2005 and who is absent because of off duty illness or injury, their base wage or the difference between their base wage and Temporary Disability Insurance up to 100% of their base wage for up to the number of accrued sick days the Officer has available at the time he/she becomes ill or is injured.

6.2.8 Temporary Disability Insurance (TDI):
If TDI (Temporary Disability Insurance) is exhausted, the Town will continue to pay 100% of the Police Officer’s base wage for up to a total compensated absence of accrued sick days the officer has available at the time TDI is exhausted subject to the Police Officer being examined by a physician of the Town’s choosing. If the physician
finds the Police Officer is fit to return to duty, the Police Officer must return as ordered, or time away from work will be considered to be absent without authorization.

6.2.8.1 A Police Officer will make himself/herself available, at their expense, for transportation to be examined by the Town’s physician. The examination cost will be borne by the Town.

6.2.8.2 The Town will pay 100% of a Police Officer’s base wage, provided the officer has accrued sick time available, for the period until TDI commences.

6.2.8.3 The Police Officer shall submit a request for TDI as soon as possible and must notify the Town when he/she receives TDI payments so the Town can adjust their compensation. The Police Officer shall not receive more than 100% of their base wage; the Town will be responsible for the difference between the TDI payment and the amount necessary to provide the Police Officer 100% of their base wage only to the extent that the officer has accrued sick time available.

6.2.8.4 The Police Officer must submit to the Town copies of TDI checks or other proof of amounts received so as to enable the Town to reconcile all payments to the Police Officer.

6.2.8.5 Payment beyond 100% of the Police Officer’s base wage must be repaid or arrangement made to repay the Town within fourteen (14) calendar days of the Police Officer’s return to work or the Town may withhold from the Police Officer’s pay the amount owed.

6.2.8.6 A Police Officer who, at the end of the fiscal year, has taken five (5) or less tours of duty of sick leave, sick leave to include by definition use of family sick leave and paternity leave (but not maternity leave), shall receive the equivalent of one (1) week’s pay at the Officer’s current base rate of pay. Payment is to be made in the first full payroll check cycle to occur after July 1 of each year.

6.2.8.7 The provisions of this Section 6.2.8 shall also apply to situations where a Police Officer has sick leave time converted to IOD time and the Police Officer has, prior to the sick time being converted to IOD time, received TDI payments as a result of his/her absence from work due to illness or injury.

6.2.8.8 The provisions of 6.2.8 which require an Officer to remit TDI payments to the Town may be subject to waiver under the following process:

When an Officer has exhausted all of his/her available paid sick time, including any previously accrued and unused paid sick time, he/she may apply to the Chief for a waiver of the application of Section 6.2.8. Upon receipt of a written request for a waiver, the Chief shall refer the request to a three person advisory panel consisting of the Union President, the Major and a third Department member selected by the Colonel. The advisory panel may request whatever records or documents from the Officer that it
believes are relevant for it to reach a conclusion on the waiver request. Upon reaching its conclusion, the advisory panel will advise the Chief of its recommendation in writing which shall include an explanation of the reasons for its conclusion. Any recommendation by the advisory panel must be made within 5 days (excluding Saturdays, Sundays and holidays) of receipt of notice from the Chief that a request for a waiver has been made. The Chief is free to follow or disregard the advisory panel recommendation at his discretion. The Chief’s decision on the request for a waiver of the provisions of 6.2.8 shall be submitted to the Town Manager for a final decision within 2 days (excluding Saturdays, Sundays and holidays) of receipt of the advisory panel’s recommendation. The Town Manager’s decision will be made within 3 days (excluding Saturdays, Sundays and holidays) of receipt of the Chief’s decision.

If a waiver is approved by the Town Manager, the Officer will not accrue any sick time under 6.2.6.3 while receiving TDI payments based on the waiver of 6.2.8. Upon the Officer’s return to full duty, he/she will commence accrual of sick time in accordance with Section 6.2.6.3.

6.2.8.9 Temporary Caregiver Benefits
During the term of this Collective Bargaining Agreement (CBA) dated July 1, 2019 through June 30, 2022 and only until June 27, 2022, the Town will allow any officer, eligible to apply for and receive Temporary Caregiver Act (TCA) benefits under the State Temporary Disability Insurance (TDI) program, to collect and retain said benefits, including but not limited to any TCA payments provided through TDI, without having to notify the Department of the receipt of these monies or turn over any payments received to the Department/Town. As of June 27, 2022 this provision will no longer be applicable. Upon the expiration of the above language, the parties agree that the above agreed upon language will not act as a waiver of either party’s right to argue that the above described benefits are included/excluded (as applicable) within the TDI program.

6.2.9 Subrogation Clause:
In line of duty illness or injury shall be in conformity with the General Laws of Rhode Island, 1956, as amended, Section 45-19-1 and Section 6.3 of this Agreement.

6.2.9.1 In the event a Police Officer fails or refuses to assert or maintain such claim against third party, the parties agree that the Town of Burrillville may assert any subrogation rights hereunder against such third-party.

6.2.9.2 A Police Officer who has received an injury in the course of his/her employment, rendering the employee unable to perform Police work pursuant to General Laws of Rhode Island 45-19-1 (1956 amended), shall not be used in any detail or related duties unless he/she also is qualified to perform light duty for the Department under Section 6.3.

6.2.10 Working While on Sick Leave Prohibited:
A Police Officer absent from work because of illness or injury is prohibited from being gainfully employed or engaging in any work for compensation.
6.3 LEAVE FOR “ON DUTY” INJURY OR ILLNESS:

Officers covered by this Agreement who are incapacitated by an injury or illness suffered as a direct result of their duties for the Town shall receive benefits pursuant to this Section and in conformity with the provisions of 45-19-1 of the General Laws of the State of Rhode Island “IOD”. Benefits that an Officer injured in the line of duty shall be eligible for include salary for the period of incapacity and the payment of all medical and hospital bills and, in addition, shall include all contractual benefits. Any and all Police Officers returning to light duty shall return to light duty consistent with Article 6.3.2. Upon return to full duty, the Officer shall return to his/her regular shift on the regular work schedule.

6.3.1. Medical Care for Injuries
Medical care for those injured or who contract illness in the line of duty shall be as follows:

6.3.1.1 Officers who are injured or become ill in the line of duty shall have the right to select their emergency treatment facility or hospital and/or physician or specialist. If the Officer is unable to make the choice, the choice shall be made, where practical, by the nearest relative or household officer. The physician so selected shall be considered the injured Officer’s private physician.

6.3.1.2 In all other cases involving injuries in the line of duty that do not require hospitalization, the injured Officer shall have the right to be treated by a physician of his own choice.

6.3.1.3 All injuries, illnesses and recurrences, regardless of nature or severity, incurred in the line of duty, shall be reported in accordance with the rules and regulations of the Burrillville Police Department.

6.3.1.4 If an Officer has suffered an initial or service connected injury or illness, the Officer shall be entitled to be examined by the physician of his/her choice as noted above. In order for any police personnel to be initially carried IOD, they must seek medical attention for their injury within a reasonable period not to exceed thirty-six (36) hours following the injury and shall submit a statement/report from the hospital or treating physician to their Commanding Officer. This statement/report must indicate a diagnosis and whether or not the Officer is able to remain on duty or is to be relieved of duty, and if relieved of duty, the length of time for which the Officer is so relieved. Doctor's notes/reports that simply state that a Police Officer will be out of work for a period of time and do not also provide a diagnosis will not be accepted. Until an updated note/report is received, the Police Officer will not be carried on IOD status and will be placed on sick leave in accordance with the terms of Article VI, Section 6.2 of this Agreement. A hospital or treating physician’s note which relieves an officer for a specific period of time, (i.e., two days), is valid only for that period, even if that period constitutes the Officer’s days off.
At the conclusion of the specified period of initial excused absence, the Officer is expected to resume regularly scheduled duties. If the Officer intends to remain IOD beyond the initial period, an additional statement from a medical doctor is required in order for the Officer to remain on IOD status. In the event the Officer remains out of work beyond the initial period without submitting another medical note substantiating the reason for continued absence, the Officer shall be taken off of IOD status and will be carried on sick leave in accordance with the terms of Article VI, Section 6.2 of this Agreement. In the event the additional medical documentation is received within fifteen (15) calendar days of the Officer's last day of medically excused absence, and it supports the Officer's IOD claim, and meets all of the other criteria necessary to warrant placement on IOD status, all Department records shall be amended to note that the Officer was IOD and not on sick leave. If, however, the additional supporting documentation is not received within fifteen (15) calendar days of the Officer's last day of medically excused absence, then the officer shall not be reimbursed for any time. Once the additional medical documentation is received substantiating the Officer's IOD claim, the Officer will be carried on IOD status from the date the Department actually receives such additional medical documentation that substantiates the Officer's IOD claim.

It shall be the responsibility of the injured Officer to notify the treating medical personnel that documentation concerning the injury address the following matters: diagnosis; whether or not it is a job-related injury; prognosis; notes on the Officer's rehabilitation; what, if any, assignments can be safely performed by the Officer; whether the Officer is able to perform light duty or restricted work activities; and length of time before the Officer can return to unrestricted police activities.

6.3.1.5 If the Officer's physician determines that the Officer is suffering from a work-related injury the Town may require the Officer to be examined by a physician selected by the Town. If the opinion of the Officer's private physician is in conflict with the Town's physician as to whether or not the Officer is suffering from a work-related related injury, then a third physician, selected from a previously agreed upon list of six (6) specialists in the area of the complaint of the injured Officer, shall be appointed as the neutral physician. The above list of specialists shall be comprised of physicians selected equally by each party (three each). Use of this list shall be on a rotating basis among the six (6) physicians. Lists of physicians must be submitted within thirty (30) days after final ratification of the Agreement. The parties agree that the physician lists shall be reviewed and updated on an annual basis. Medical specialties for which no list of physicians has been submitted may be added at the request of either party or as needed to comply with the intent of this sub-section. Selection of any new specialties will be in accordance with this sub-section. If only one party submits a list of physicians in any specialty that grouping of physicians shall be deemed the list for both parties and will be used in accordance with this sub-section. Appointments for neutral physicians must be scheduled within fifteen (15) calendar days. The results of the examination by the neutral/third physician as selected under this Section shall be conclusive on the parties, provided, however, that the Town or the FOP shall have the right to have said
determination reviewed by a single arbitrator in accordance with the Labor Arbitration Rules of the American Arbitration Association or the Labor Relations Connection. In all other aspects, the arbitration provisions set forth in this Agreement shall apply.

6.3.1.6 When an Officer has suffered a previous service-connected injury and an occasion arises when the injury reoccurs in any nature, the Officer shall be entitled to the immediate examination of the physician who attended him/her for the original injury at the Town’s expense. In the event the physician who treated the Officer for the original injury is not available by reason of illness, death, or from any other circumstances, the Officer shall have the right to engage a specialist of his/her own choice. If the attending physician determines that the Officer is actually suffering from a recurrence of the injury, the Officer shall be entitled to the benefits of this Article, provided, however, in order for an Officer to be carried IOD on a claimed recurrence of a prior injury, the Officer must follow all of the procedures set forth in Section 6.3.1.4 of this Article regarding the submission and content of medical statements/reports for as long as the Officer claims a recurrence of a prior IOD injury. Further, the Town shall have the right to have said Officer examined by a physician selected by the Town as to whether or not said Officer is actually suffering from a recurrence of the injury. If the opinion of the Officer’s private physician is in conflict with the Town’s physician as to whether or not the Officer’s condition is a recurrence of the previous in the line of duty injury, then a third Physician, selected from a previously agreed upon list of six (6) specialists in the area of the complaint of the injured Officer, shall be appointed as a neutral physician. The above list of specialists shall be comprised of physicians selected equally by each party (three each). Use of this list shall be on a rotating basis among the six (6) physicians. Lists of physicians must be submitted within thirty (30) days after final ratification of the Agreement. The parties agree that the physician lists shall be reviewed and updated on an annual basis. Medical specialties for which no list of physicians has been submitted may be added at the request of either party or as needed to comply with the intent of this sub-section. Selection of any new specialties will be in accordance with this sub-section. If only one party submits a list of physicians in any specialty that grouping of physicians shall be deemed the list for both parties and will be used in accordance with this sub-section. Appointments for neutral physicians must be scheduled within fifteen (15) calendar days. The results of the examination by the neutral/third physician as selected under this Section shall be conclusive on the parties, provided, however, that the Town or the FOP shall have the right to have said determination reviewed by a single arbitrator in accordance with the Labor Arbitration Rules of the American Arbitration Association or the Labor Relations Connection. In all other aspects, the arbitration provisions set forth in this Agreement shall apply.

6.3.1.7 Town medical examinations and examinations by the neutral physician shall be scheduled during the physician’s normal business hours. Any Officer making a claim of IOD status shall make himself/herself available for examination during said hours as scheduled. Said requirement shall apply to all Officers, regardless of whether the Officer’s normal tour of duty coincides with the physician’s normal business hours. If the Officer’s normal tour of duty coincides with the physician’s normal business hours, the Officer shall be placed on paid leave for any amount of time that he/she is absent.
from his/her tour of duty. Any fee charged by the physician as a result of an Officer’s failure to keep an appointment, except in the case of a documented emergency or without other reasonable cause, shall be the sole responsibility of the officer. Failure of the Officer to pay the fee may result in disciplinary action.

6.3.1.8 After the Officer’s initial evaluation of IOD status by the neutral physician, the Town may require said Officer to be examined by the neutral physician, no more that one (1) time every thirty (30) calendar days, in order to update said Officer’s IOD status evaluation. Nothing herein shall prohibit the Officer from attending his/her private physician for necessary treatment and/or evaluation during the period said Officer is carried in an IOD status.

6.3.1.9 The Officer shall continue to be carried on an IOD status until such time as the Chief receives a written report from the neutral physician indicating that the Officer is capable of returning to work. Except in the case of a documented emergency or without other reasonable cause (in which case the Officer shall notify his Commanding Officer prior to the scheduled appointment), if the Officer should fail to attend the scheduled appointment with the Town physician or the neutral physician, the Officer shall be removed from IOD status and shall not be entitled to any of the benefits under this Section until such time as the Officer is examined by the appropriate physician (either Town or neutral).

6.3.2 Light Duty:
In the event an Officer is injured while on duty and cannot perform his/her duties without restriction or is not able to return to full duty due to an off the job illness or injury, the Police Chief may order a light duty assignment.

6.3.2.1 Capability to perform light duty shall be determined by the Officer’s physician and the Town’s physician. If the opinion of the Officer’s private physician is in conflict with the Town’s physician as to whether or not the Officer is able to return to work in a light duty capacity, then a third physician, mutually agreeable to the Town’s physician and the Officer’s physician, shall examine said Officer and the opinion of the physician so selected shall be conclusive on the parties. If the Officer’s treating physician and the Town’s physician cannot agree on a neutral physician within fifteen (15) days, then a neutral physician shall be selected from a previously agreed upon list of six (6) specialists, including but not limited to psychiatric services, in the area of the complaint of the injured Officer. The above list of specialists, including but not limited to psychiatric services, shall be comprised of physicians selected equally by each party (three each). Use of this list shall be on a rotating basis among the six (6) physicians. Lists of physicians must be submitted within thirty (30) days after final ratification of the Agreement. The parties agree that the physician lists shall be reviewed and updated on an annual basis. Medical specialties for which no list of physicians has been submitted may be added at the request of either party or as needed to comply with the intent of this sub-section. Selection of any new specialties will be in accordance with this subsection. If only one party submits a list of physicians in any specialty that grouping of physicians shall be deemed the list for both parties and will be used in accordance with
this sub-section. Appointments for neutral physicians must be scheduled within fifteen (15) calendar days. The results of the examination by the neutral physician shall be conclusive on the parties provided, however, that the Town or the FOP shall have the right to have said determination reviewed by a single arbitrator in accordance with the Labor Arbitration Rules of the American Arbitration Association or the Labor Relations Connection. In all other aspects, the arbitration provisions set forth in this Agreement shall be applied. Upon receipt of written certification by the above process of the Officer's ability to return to light duty, said Officer shall be returned to employment with any and all benefits and entitlements afforded to Officers of the bargaining unit, including any promotional opportunities.

6.3.2.2 Light duty is hereby defined as duties of a less physical or onerous nature that the Officer is able to perform and that are typically performed by Officers of the bargaining unit and not by officers of other bargaining units or other persons. Light duty shall be of a nature such as a clerk (court officer, training officer) or some other activity that can be performed within the restrictions placed on the officer by his/her and/or the Town’s physician(s).

Examples of this may be:

1. Clerical or computer duties (data entry).

2. Dispatch duties (only in an emergency where the Department is unable to find a dispatcher available for duty. This provision is subject to agreement with the Town’s municipal employees unit).

3. Answering requests from public or taking complaints at Communications Center within the Police Department. There is to be the probability of no physical contact with any person or persons.

4. Aiding administrative or Detective Bureau in processing and filing of materials and BCI work. (This shall include photography and fingerprinting evidence if the injured party has training or is provided proper training in this work).

5. Any other work as authorized by the officer's physician and approved by the Chief or his designee.

6.3.2.3 An officer shall promptly, upon first receiving information regarding his/her availability for light duty, inform the Chief of his/her availability for light duty status by submitting a certification signed by the physician(s) authorizing the Officer's return to work and stating the nature of the injury and the type of light duty the Officer is able to perform. The Chief shall promptly change the status of the Officer and the Officer shall be permitted to return to light duty work at such light duty work as the Officer is able to perform. Any Officer returning to light duty shall, generally, return to light duty on his/her regular shift, however where a change in shift will not cause an Officer a
documented hardship, the Officer may be assigned light duty on a shift determined to be most advantageous to the Department by the Chief or his/her designee. Upon return to full duty, the Officer shall return to his/her regular shift on the regular work schedule. While on light duty, a Police Officer shall not be eligible for overtime or details. Any officer returning to light duty shall wear civilian clothing and not carry a service weapon. The maximum amount of time an Officer can remain on light duty or be out of work for medical reasons is eighteen (18) months within any thirty-six (36) month period. If an officer exceeds the aforementioned parameters, he/she will be required to apply for retirement. The Town shall have the right to require officers to submit periodically to physical, mental or other examinations to determine fitness for light duty.

It is expressly understood and agreed by the FOP and the Town that in every instance of this section, where the Officer's physician renders an opinion, the Town reserves the right to send the Officer to a Town-appointed physician. If the opinion of the Officer's physician is in conflict with the Town's physician, then a third physician, mutually agreeable to the Officer's and Town's physicians, shall examine said Officer and the opinion of the third independent physician shall be conclusive on both parties.

If the Officer's treating physician and the Town's physician cannot agree on a neutral physician within fifteen (15) days, then the process of selecting a neutral physician as described in Section 6.3.2.1 shall be applied. The results of the examination by the neutral physician shall be conclusive on the parties provided, however, that the Town or the FOP shall have the right to have said determination reviewed by a single arbitrator in accordance with the Labor Arbitration Rules of the American Arbitration Association or the Labor Relations Connection. In all other aspects, the arbitration provisions set forth in this Agreement shall apply.

6.3.3 Subrogation:
Whenever an injury or sickness, for which benefits are paid either under Section 6.3.1, 6.3.2 or any other applicable provision of this Agreement or under the provisions of R.I.G.L. 45-19-1 et seq., is caused under circumstances creating a legal liability in some other person or entity other than the Town of Burrillville to pay damages in respect thereof, the Town shall be subrogated to the rights of the officer of the bargaining unit to recover damages from said third party to the extent of its payments made hereunder subject to the concept of comparative negligence and to the extent authorized by R.I.G.L. 45-19-1.1. The officer will be responsible to notify the Town of the filing of any claim and any award or recovery received from any such claim.

6.4 MEDICAL EXPENSES FOR POLICE OFFICER'S FAMILY:

The Town agrees to pay for all reasonable expenses for medical treatment for members of any Police Officer's family residing in his/her household, or he/she residing in his/her family's household, when such becomes necessary as a result of said Police Officer's exposure to a contagious disease in the line of duty.
6.4.1 Funeral Expenses:
In the event of the death of a Police Officer in the line of duty, the Town will reimburse expenses of the funeral up to $12,500.00.

6.5 MATERNITY LEAVE:
A Police Officer who becomes pregnant shall be entitled to a leave of absence for a period of certified physical disability arising from said pregnancy.

6.5.1 Notification:
Whenever practicable, the Police Officer shall notify the Burrillville Police Department, in writing, of her intention to take maternity leave at least one month prior to the estimated date of the maternity leave. All male Police Officers will receive one (1) week off with pay in the case where his spouse gives birth, provided he has time available under 6.2.4.3.

The Town shall provide all Police Officers group life insurance during the course of employment in the amount of Twenty-five Thousand Dollars ($25,000.00).

6.7 MENTAL FITNESS FOR DUTY:
The fact that Police Officers are armed, make life and death decisions, work under various degrees of stress and are in constant contact with the public make it management's duty to insure that they are both physically and mentally fit for duty.

6.7.1 Questionable Conduct:
When actions or conduct of a Police Officer leads others to believe that he/she may not be rational, and there is any question of mental disability, it is incumbent upon management to take immediate action.

6.7.2 Determination of a Licensed Psychiatrist:
If there is any doubt, on the part of management, as to the mental fitness of a Police Officer, that Officer may be ordered to seek the assistance of a licensed psychiatrist. The Town will document the reasons for its decision. In the event the psychiatrist determines that the Police Officer may be a danger to him/herself or others, or is unfit for duty, that Police Officer's powers may be suspended (with sick leave pay) by the Chief and his/her firearm and identification confiscated.
6.7.3 Sick Leave and Re-evaluation:
The Police Officer will receive sick leave pay, provided he has time available under 6.2.4.3, for a period not to exceed sixty (60) calendar days during which time a re-evaluation shall be made by the psychiatrist who originally examined the Police Officer. If deemed unfit for duty by the psychiatrist, the Police Officer shall be placed on sick leave in accordance with the terms and conditions of this Agreement.

6.7.4 Selection of a Psychiatrist:
The selection of a psychiatrist to utilize in the event this provision must be invoked shall be made in accordance with the following procedure:

The Town and the Union shall each submit a list of three (3) psychiatrists within thirty (30) days after ratification of this Agreement. Failure to submit a list of names by either party shall not prevent a list from being in place and utilized for purposes of this section. Use of this list shall be on a rotating basis among the six (6) psychiatrists starting with the Department’s selection. The next pick shall be from the Union’s list of three (3) psychiatrists and the following picks shall rotate between each list thereafter. Appointments made with physicians in accordance with this sub-section must be scheduled within fifteen (15) calendar days. The parties agree that the physician lists shall be reviewed and updated on an annual basis. If only one party submits a list of psychiatrists that grouping shall be deemed the list for both parties and will be used in accordance with this sub-section. The results of the examination by the selected psychiatrist shall be conclusive on the parties provided, however, that the Town or the FOP shall have the right to have said determination reviewed by a single arbitrator in accordance with the Labor Arbitration Rules of the American Arbitration Association.

6.8 20 YEAR RETIREMENT:
Police Officers shall be included and covered by the Town in a retirement pension plan with the State of Rhode Island “Optional Retirement for Police and Fire, Optional 20-year Plan” as provided in the Rhode Island General Laws, 1956, as amended, Section 45-21.2.

Effective 7/01/06 the Town will implement an increase in the 20 year retirement benefit to 60% as set forth in R.I.G.L. 45-21.2-22.1.

6.8.1 COLA:
Police Officers who retire from the Burrillville Police Department shall receive COLA in their retirement in accordance with R.I.G.L. 45-21-52(B) and the terms of R.I.G.L. 45-21.2, as amended.

6.9 LIABILITY INSURANCE:
The Town will maintain Police Professional Liability Insurance for all Police Officers with a minimum coverage of $500,000.00 for each Police Officer and $1,000,000.00 per incident with an insurance company of the Town’s choosing as presently in existence.

Supplemental

In accordance with Article 8.2.1 “complete understanding”, the following are the only agreements previously reached between the Town and the Union that will be added to and made a part of this collective bargaining agreement.

Dated October 30, 1997
General Order #12, series of 1997

To: All Sworn Personnel

The purpose of this General Order is to establish separate overtime lists for patrol officers and those officers holding the rank of Sergeant and above.

When overtime necessitates call-back, the separate lists will be utilized. Both lists, set up according to seniority, will be rotating and when there is a need for overtime, the top officer on the list may accept or refuse. His/her name will then go to the bottom of the list. Briefly stated, call back for Patrol officers shall be from one list and call back to fill a Superior Officer’s assignment from the second list. In the event that an occasion occurs that makes it impossible to fill the vacancy from the existing list, the other list may be utilized. If both lists are exhausted without anyone voluntarily taking the overtime, an officer from the list where the vacancy was created will be ordered back.

Requests for days off will also be predicated on two separate lists. Seniority within rank will take precedent when requesting a day off. All other requirements will be in compliance with the existing policy. All requests for an extra day(s) off are subject to the approval of the Chief of Police.

The department will continue to maintain one list for private and municipal details. This shall be a rotating list available to all officers.

The General Order becomes effective, 8:00 am Tuesday, November 4th 1997.

Bernard E. Gannon
Colonel
Chief of Police
Dated March 11, 2002
Memorandum #6 Series 2002

To: All Personnel
From: Colonel Bernard E. Gannon, Chief of Police
Subject: Regulations for Private and Municipal Police Details

Regulations for Private and Municipal details are enumerated in Article V of the
Burrillville Police Department’s Collective Bargaining Agreement. Management of the
detail program is in compliance with Section 5.2.6 of that Agreement.

The conduct and duty responsibilities of police officers assigned to private and
municipal details are the same as those of on-duty officers and are governed by the
rules and regulations of the Burrillville Police Department.

Officers shall report for duty at the designated time and location and shall notify the
dispatcher that he/she is on site and commencing the detail. At the completion of the
detail the officer shall notify the dispatcher of the status of the detail, i.e., the detail is
completed, the officer has been relieved by another officer, etc.

The uniform of the day shall be worn in compliance with Section 3.20 of the Department
rules and regulations and with General Order #2, Series of 2001, as amended. Required
equipment will be in accordance with Section 3.21 of the Department rules and
regulations. Officers may wear the official Burrillville Police Department baseball cap
when assigned to traffic details.

It shall be the responsibility of the Detail Officer, or in his/her absence, the officer
assigning the detail, to insure that the person requesting the detail is informed of all
requirements associated with hiring a detail officer. This information is contained in the
"detail letter" to be mailed, faxed, or delivered to the vendee. If this is not possible or
time does not permit, a clear and precise explanation of detail costs and requirements
must be related to the person requesting the detail. Billing questions will be directed to
the Town Treasurer’s office. The officer assigning the detail shall document that the
detail letter has been sent and/or a verbal explanation given to the vendee.
Dated March 14, 2002
General Order #1, series of 2002

In conformity with Section 9.2 of the rules and regulations of the Burrillville Police Department I am authorizing Lieutenants to take home the unmarked police vehicles assigned to them. These vehicles are for the Lieutenant's use in their official duties only. The vehicles shall not be for their personal use.

Bernard E. Gannon
Colonel
Chief of Police
Dated March 20, 2002
Memorandum #7 Series of 2002

To: All Personal
From: Lt. Kevin S. San Antonio, Executive Officer
Subject: Order in list/Order Backs

THE RESPONSIBILITY OF FILLING A VACANCY (CREATED BY AN OFFICER CALLING OUT SICK) BELONGS TO THE SHIFT COMMANDER ON DUTY AT THE TIME THE VACANCY OCCURS. It is the duty of the shift commander to insure that the vacant shift is appropriately filled before he/she secures from duty. Failure to do so may result in disciplinary action. This applies to vacancies that are called in any time within the 24-hour period following the officer calling-out.

Each year on July 1st a new order-in list will be established and order-ins will start in reverse seniority. New officers hired within the year will not be eligible to be ordered back to work until he/she has completed the Field Training and evaluation program. Once that officer completes Field Training he/she will be credited with the Patrol Division’s average order-ins for placement on the order-in back list.

Call outs that create a vacancy more then 24 hours in advance of the officer’s shift will be handled by the standard overtime procedure.

When an officer calls out sick causing the shift to fall below minimum manning a replacement officer will be obtained. The replacement officer will be from the classification that created the vacancy (Patrol for Patrol, Supervisor for Supervisor). However, if the initial classification that caused the vacancy is unavailable or unwilling to accept the call back, this shall not preclude any officer from voluntarily to work the shift.

ALL ORDER-INS WILL BE AT FOUR-HOUR INTERVALS. The only exception to the four-hour order-ins will be if no one can be contacted from the oncoming shift. In this event the person who is ordered in for the full shift will get credit for two (2) order-ins.

In the event that an officer needs to be ordered in, that officer will come from the shift that is currently working and from the same classification. If the particular rank classification is not available from the previous working shift, for whatever reason, (i.e. prior order-in, approved day off), then the next available officer from the previous working shift shall be ordered in, regardless of rank. Switches and regular monthly training does not preclude an officer from being ordered in. Patrol officers can be ordered in for supervisors and vice versa. The only time that an officer from the previous duty shift will not be utilized for these vacancies is when they are unable to work said shift due to the restrictions enumerated in Section 3.12 of the Police Department’s Bargaining Agreement, sickness or previously approved days off (vacation, holidays, personal days, etc.).

There shall be no order-ins in advance for any officer on their scheduled day(s) off. The
officer's work week consists of four (4) days on and two (2) days off with the exception of Lieutenants who are scheduled to work five (5) days on and two (2) days off. Certain circumstances regarding minimum manning shall not preclude any officer from having to work a scheduled day off without prior notice, (i.e. order-ins which occur within a twenty-four (24) hour period and/or a States-of-Emergency declared by the Chief of Police). THE REQUIRING OF AN OFFICER TO WORK HIS/HER SCHEDULED DAYS OFF SHALL BE ONE OF LAST RESORT.
