Burrillville Town Council Resolution Chapter §42-98 Energy Facility Siting Act

- Whereas, the Energy Facility Siting Act was enacted in 1986; and
- Whereas, the legislative findings of the Act have proven to be increasingly accurate, having significant impact on all Rhode Islanders; and
- Whereas, the host community for proposed energy facilities is uniquely affected by the process; and
- Whereas, after 30 years utilization, the Energy Facility Siting Act requires global review and revision.

Now therefore be it resolved that we, the Town Council of the Town of Burrillville, respectfully request that Senator Paul W. Fogarty, Representative Cale P. Keable and Representative Brian C. Newberry introduce legislation to enact proposed amendments to §42-98, Energy Facility Siting Act, in accordance with the attached proposed amendments.

Adopted as a resolution this 6th day of February 2017

John F. Pacheco III, President
Burrillville Town Council

ATTEST:

Louise R. Phaneuf, Town Clerk
